PLANNING BOARD

## Report of Selectmen

Lawrence J. McCluskey, Chairman

Burton F. Whitcomb, Secretary

Hugh J. Morgan, Jr.

Kenneth E. Morang, Jr.

John W. Moccia, Jr.

John J. McCarthy, Executive Secretary

At the Board's organizational meeting, following the Annual Town Meeting in March, Lawrence J. McCluskey was elected Chairman, and Burton F. Whitcomb was elected Secretary. Other Board members are Kenneth E. Morang, Jr., John W. Moccia, Jr., Hugh J. Morgan, Jr. John J. McCarthy continued in the office of Executive Secretary and Margaret M. Brady was appointed Clerk.

The Town has continued to function under the Board of Selectmen - Executive Secretary plan of Municipal Administration. This plan maintains the selectmen in their traditional role as managers of the municipality and yet gives cognizance to the need for a central official to carry out delegated administration assignments within a designated framework of policy set down by the Board of Selectmen.

The broadly diversified powers, duties and responsibilities of the Board of Selectmen extend throughout the administration of all town departments and a central co-ordination is essential to an effective and efficient municipal administration.

Communication, budgetary control and co-ordination of departmental activities are among the more important advantages available through the office of the Executive Secretary who also serves as budget analyst and town accountant. This combination of functions have continued to provide an effective consolidation of administration effort.

The program of pre-employment physical examination of all town employees, which was initiated in the year 1963 is continuing to function effectively. There were 63 town employees examined during the current year as prescribed by the requirements of their employment. It is expected that beneficial results will be experienced in the area of limiting compensation claims and in the prevention of premature disability retirements.

The group insurance program of health-surgical and life insurance benefits authorized by referendum action in March, 1958; and extended to cover employees who retired after original acceptance of the legislation which provided group insurance benefits to town employees (Chapter 595, Acts 1959); was extended in benefits by increasing the planned coverage from \$24.00 per day room and board allowance to full semi-private accommodation allowance, adjusted by a \$25.00 family deductible payment by the employee. This plan of coverage is comparable to the best features of any plan available under the terms of the law which authorizes this program of insurance benefits. There are presently 552 employees and 50 pensioners of the town included in this program of benefits. The total

premium cost amounts to \$105,508.21 of which amount the town contributes \$52,825.66. The town's share of dividend on the hospital, medical-surgical program amounted to \$7,478 for the period July 1, 1963 to December 31, 1963.

The Fire and Casualty Insurance program which extends to all municipal departments and provides for various types of required coverages amounted to a premium cost of \$35,118.31. The Workmens Compensation Insurance program which, also, extends coverages to all town departments amounted to a premium cost of \$23,911.69.

Chapter 17 of the town by-laws prescribes that the Board of Selectmen shall supervise the conduct and election of an employee's representative to the Personnel Board. Mr. Arthur E. Harding, Jr. was elected to succeed himself for a second three year term.

The passage of Chapter 563 of the Acts of the Year 1964 by the Massachusetts Legislature included the Town of Wakefield as a member community in the newly formed Metropolitan Bay Transportation Authority District. A five member board of directors for the administration of the newly constituted transportation authority succeeded a previous three member Metropolitan Transit Authority board. It was provided that the Town of Wakefield would have a membership on the 78 member Advisory Board and Executive Secretary John J. McCarthy was designated by the Board of Selectmen to represent the Town on this Board. Mr. McCarthy was subsequently elected a member of the Executive Committee of the Advisory Board which committee is comprised of twenty-one members and has all the power of approval vested in the Advisory Board except power to approve the Governor's appointments to the Board of Directors to the Authority.

Meetings of the Board of Selectmen were held with various Boards in electing members to fill vacancies caused by resignations. This procedure is required in accordance with the provisions of Chapter 41, Section 11 of the Massachusetts General Laws:

Mr. Bernard J. McDonald was elected at a joint meeting of the Wakefield Housing Authority and the Board of Selectmen to fill the vacancy caused by the resignation of Mr. Herbert K. Noble in May, 1964.

Reverend J. G. Koehler was elected at a joint meeting of the Board of Library Trustees and the Board of Selectmen to fill the vacancy caused by the resignation of Mrs. David Hodgdon in November, 1964.

Messrs. Wesley M. Ball, Pasquale Carisella and Ralph P. DeCecca were appointed to the Recreation Commission upon the resignation of Messrs. Earl G. Bonney, Samuel D. Ferguson and George J. Regan.

Mr. John S. Allsup was appointed Civil Defense Radio Officer in March, 1964.

Messrs. Thomas E. Curley, John S. Egan, Dr. Philip L. McAuliffe and Charles J. Sheridan were appointed to serve on the Conservation Committee.

Mr. Carl Vik was re-appointed to the Wakefield Contributory Retirement Board for a three year period to expire July 1, 1967.

Dr. William R. McKenna was appointed Warden of the Central Precinct for the Presidential election to comply with the requirements of Chapter 54, Section 89 and Chapter 51, Section 14 and 1-b of the Massachusetts General Laws.

Mr. Joseph Maher was appointed Local Census Director for the 1965 State Census.

The Committee on Election Procedures was continued in its function of reviewing election procedures and providing liaison between the Board of Selectmen and precinct wardens. This Committee has enabled the Selectmen to remain in closer contact with the function of elections for which they are responsible, (i.e. wardens' meetings, presidential election, electronic voting equipment compared to currently available mechanical voting equipment).

The Board appointed election officers and tellers for service at the polls for the year 1964.

The Board approved a rate of 1.90% for an amount of \$3,000 in anticipation of reimbursement for maintenance work, Chapter 90; a rate of 1.90% for an amount of \$31,500, Chapter 90 construction work; and a rate of 1.617% for an amount of \$750,000 in anticipation of tax revenue.

The Board observed with regret the deaths of the following retired employees:

Arthur G. Abbott  
Timothy Delaney  
Lawrence Doucette

John A. Peterson  
John J. Findlay, Jr.  
Maurice Hourihan

and the following active employees:

Thomas Gibbons  
Thomas Hanright

Mary Hogan  
Grace Widtfeldt

The death of Mary Louise Tredinnick was recognized with regret at the Board of Selectmen's meeting of April 28, 1964 and a copy of resolutions proclaiming the years of valued service Mrs. Tredinnick had rendered to the Town of Wakefield were fittingly inscribed upon the minutes of the selectmen's meeting.

Fifty-six treasury warrants totalling \$9,729,696.64 were approved by the Board in payment of salaries, wages, invoices and maturing debt.

Appointments made by the Board of Selectmen for 1964:

Clerk to Board of Selectmen, Margaret M. Brady

Veterans' Service Agent, Richard J. McGrail

Building Inspector & Elevator Inspector, Frank A. Tredinnick

Wire Inspector, John J. Curran

Gas Inspector, Thomas J. Curley

Fire Inspector, Chief William P. Hurton

Lock-up Keeper, Chief J. Merritt Wenzel  
Dog Officer-Animal Inspector, John W. Hopkins  
Sealer of Weights & Measures, Pasquale J. Carisella  
Fence Viewers, Earl A. Turner, Frank D. MacKay, Gaston E. Loubris  
Board of Appeals (3 years) J. L. McManamin, Associate member (3  
years) William B. Merry  
Registrar of Voters, George E. Findlay  
Constables, Chief J. Merritt Wenzel, Harold Anderson, Charles S. Antetomaso  
Town Counsel (3 years) Francis C. McGrath  
Recreation Commission (3 years) Thomas Hennessy

#### SWEETSER LECTURE COMMITTEE

Burton E. Whitcomb, Hugh J. Morgan, Jr., J. W. Moccia, Jr., Kenneth E. Morang, Jr., Lawrence J. McCluskey, Catherine E. Simpson, John B. Hendershot.

Sergeant James T. McKeon was promoted from Sergeant to Lieutenant on the Wakefield Police Department and Patrolman Richard C. Cheever was promoted from Patrolman to Sergeant on the Wakefield Police Department.

Firefighter Robert S. Abraham was promoted to Lieutenant on the Wakefield Fire Department. Acting Master Mechanic Robert G. Carley was appointed Master Mechanic on the Wakefield Fire Department, James F. Lilley appointed Firefighter.

Messrs. Ronald W. Hanson, Jino DiNanno and Neil C. Cavanagh were appointed Permanent Patrolmen on the Wakefield Police Department.

Considerable time and effort were spent by the Board on many miscellaneous problems which would be too detailed to highlight in this report.

Reports of the various departments under the jurisdiction of the Board will be found under other headings in this report and this activity has been submitted to the Board by the individual departments on a monthly basis. These monthly reports have provided information necessary for the orderly development of administration and planning procedures.

LAWRENCE J. MCCLUSKEY, Chairman  
BURTON F. WHITCOMB, Secretary  
HUGH J. MORGAN, JR.  
KENNETH E. MORANG, JR.  
JOHN W. MOCCIA, JR.

Motor vehicle excise tax levied in 1964		588,283.81
Number of dwelling houses assessed		5,912
Number of acres of land assessed		2,941

Respectfully submitted,

## BOARD OF ASSESSORS

JOHN J. McSHANE, Chairman  
 LEO F. DOUGLASS, Secretary  
 FRANK A. TREDINNICK

## Report of Board of Appeals

During the year ending December 31, 1964, the Board of Appeals held 30 hearings, all of which were decided by our Board and one of which is undecided pending advice of Town Counsel. One hearing held in 1963 has been appealed to the Massachusetts Superior Court and is now awaiting trial.

James J. Curley, Joseph L. McManamin, and David H. Ramsay are Board members with Mr. Curley acting as Chairman of the Board. Serving as alternates are James Zafarana, William B. Merry, Jr., and William J. Doherty, with Mrs. Paul D. Everett, Jr., clerk.

Hearings are published twice in the Wakefield (Mass.) Daily Item and meetings are held on Tuesday evenings in the office of the Building Inspector.

Respectfully submitted,

JAMES J. CURLEY, Chairman  
JOSEPH L. McMANAMIN  
DAVID H. RAMSAY

## Report of Personnel Board

Regular Personnel Board meetings were held at monthly intervals during the year 1964. Special additional meetings were held as required by the press of business matters with several town boards, committees and personnel consultants. A review of the provisions of Chapter 17 of the Town by-laws, which is the Personnel Plan, indicated by comparison with surrounding towns that an up-grading of salaries would be required if we were to maintain our median position in relationship to the salary plans applying in other comparable communities. After considerable review, it was indicated that a percentage increase would be required and after conference with the Town's personnel consultant, this increase was presented to the townspeople and approved by town meeting action.

Rising inflationary forces continue to put a direct pressure on increasing wages and the Personnel Board in recognition of the various factors involved in such a consideration have attempted to maintain an equitable position for both the employees as the recipients of salaries and wages and the townspeople as the recipients of services provided by town employees.

JOSEPH R. WILSON, Chairman  
PAUL TETZLAFF, JR.  
ROBERT H. GARDNER  
CHARLES C. CURRAN  
ARTHUR E. HARDING

## Report of Town Planning

The detailed planning study described in the 1963 Town Report, of about 150 acres easterly of Main & Green Streets, in the Harts Hill area, was completed by Edwards & Kelcey, Inc., on May 5, 1964. Based on ground and aerial surveys, this study determined the best way in which this large tract of land could be developed. It recommended the best street layout to provide access to the land within the area, the most suitable use of the ledgy and rocky terrain, practical water and sewer line layouts, and the reservation of some portions of the area, unsuitable for development, to be held by the Town as green strips. This study recommends that portions of the large tracts of land now owned by the Town should eventually be sold, while other portions should be retained.

The study has already been valuable to the Planning Board in making decisions on the layout of two subdivisions in the Harts Hill area.

For several weeks the Board worked closely with the Department of Public Works and the Trustees of Wakefield Industrial Center in planning the access to, and utilities for, the Container Corp. building, for the protection of both the Town and the Container Corp.

Plans of 5 new subdivisions, creating 25 new house lots and 4 business lots, were approved during 1964, as follows: Del Carmine St., off Water St., Davey Lane, off Butler Ave., Lakeview Circle, off Lakeview Ave., Kennedy Circle, off Farm St., and an extension of Wilson Ave. The Board also approved the preliminary plan of Fairway Circle in Wakefield, off North St., Stoneham. One subdivision, a part of Winnisimette Ave., was completed during the year. Currently 14 subdivisions are incomplete.

Public hearings were held on the layouts of 5 existing ways and the layouts approved. These were Ledgewood Rd., Thorndike Rd., Fell St. (profile only), Frank St., and part of Del Carmine St.

Only 4 zoning amendments were submitted to the 1964 Town Meetings. Of these 2 were recommended by the Planning Board and were enacted.

The Planning Board held 44 meetings and 12 public hearings during the past year, and considered about 120 land use and planning problems.

The Planning Board will propose two new planning studies in 1965, one of the central business district to include parking needs and the impact of a rapid transit line along the present Boston & Maine right of way. The other will be a study, similar to the study of the Harts Hill area, of the largely undeveloped area bounded by Water St., Butler Ave., New Salem St., Salem St., and the town line at the Saugus River. Study of the best development of this area is important at this time because the construction of the trunk sewer along the Saugus River valley from Water St. to the Wakefield Industrial Center will, for the first time, make many acres of low lying lands suitable for development.

Non-support	\$ 765.00
Restitution	2,557.00
<b>TOTAL</b>	<b>\$3,322.00</b>

---

\* \* \* \* \*

During the year 1964, two veteran police officers with many years of valuable service to the town requested to be retired from the department, as follows:

Harold J. Maloney, appointed reserve patrolman Dec. 1, 1937, became regular patrolman Aug. 8, 1940, and was retired Apr. 1, 1964.

Winslow R. Smith, appointed permanent intermittent patrolman Apr. 10, 1935, became regular patrolman Dec. 1, 1937, and was retired June 21, 1964.

On May 1, 1964, James T. McKeon was promoted to Lieutenant of Police, making a total of two Lieutenants for the department, giving superior officer coverage for a greater period at night, and releasing a Sergeant from desk duty for street patrol.

The following men were appointed as regular patrolmen on the department to fill existing vacancies:

Neil C. Cavanagh, appointed May 1, 1964.

Jino DiNanno, appointed May 1, 1964.

Ronald W. Hanson, appointed November 1, 1964.

In accordance with the Town of Wakefield policy of obtaining all available advance training for its policemen, the following schools and courses were attended by one or more officers of this department with little or no expense to the town:

Fingerprint School, Somerville, Mass., Jan. 20, 1964.

U.S. Air Force Judo Instructor Training Course, Stead Air Force Base, Nevada, Mar. 2 through Apr. 7, 1964.

Massachusetts Safety Conference, Boston, Mass., May 26, 1964.

Civil Defense School, Topsfield, Mass., June 2 through 4, 1964.

F.B.I. Firearms Instruction Course (all police officers attending), Camp Curtis Guild, Wakefield, Mass., June 8 through 12, 1964.

F.B.I. Advanced Firearms Course for Instructors, Camp Curtis Guild, Wakefield, Mass., Sept. 21 through 25, 1964.

F.B.I. School on Police Administration, Boston, Mass., Oct. 5 through 16, 1964.

F.B.I. Firearms Instruction Course (all police officers attending), Camp Curtis Guild, Wakefield, Mass., Oct. 13 through 16, 1964.

Massachusetts State Police Training School, Framingham, Mass., Nov. 2 through Dec. 11, 1964.

Civil Defense Course, National Guard Armory, Boston, Mass., Dec. 7 through Dec. 11, 1964.

Winter Safe Driving Clinic, American Mutual Liability Insurance Co., Wakefield, Mass., Dec. 30, 1964.

The addition of radar equipment to the department has been a great asset in controlling motor vehicle violations on the streets of Wakefield. It has proved to be a definite deterrent to those who ordinarily speed in their vehicles.

The Main Street Chevrolet Company, in accordance with its usual practice, donated a 1964 Station Wagon to the department for use as a safety car. The Safety Officer visits schools, playgrounds and bathing areas, as well as conducting a yearly bicycle rodeo. His function is to assist the youth of the town in any way possible.

In view of the prevalent unrest among youth groups and the violence that has occurred, at times, when groups of people have gathered in large numbers, an emergency mutual assistance agreement has been formed with other police departments in this area. It is the feeling of the Chiefs of Police that the police are definitely a minority group. In many cases, there are one-and-a-half policemen for over one-thousand people. By setting up a program of reciprocal aid, the manpower, vehicles and equipment of several departments can be pooled, on short notice, to face any emergency that might arise. This arrangement provides the best possible protection for the citizens and property of the various communities.

In this report, I should like to thank all those who have been of assistance to us in the performance of our duties during the past year.

Respectfully submitted,

J. MERRITT WENZEL  
Chief of Police

## Report of Chief of Fire Department

During the year this department has responded to 945 alarms, divided as follows: 201 Box Alarms and 744 Still Alarms.

Estimate of Property Endangered	\$1,136,900.00
Insurance on Property Endangered	374,401.00
Loss on Property	200,193.18
Insurance Paid on Loss	153,033.18
Transit Value	11,650.00
Transit Loss	6,564.12

Respectfully submitted,

WILLIAM P. HURTON  
Chief of Fire Department

### REPORT OF FOREST WARDEN

During the year of 1964 there was a total of 184 grass and woods fires.

Respectfully submitted,

WILLIAM P. HURTON  
Forest Warden

## Report of Plumbing Inspector

The annual report of the Plumbing Inspector for the year ending December 31, 1964, is as follows:

Number of Permits issued	219
Number of Fixtures installed	1,435
Gas storage—hot water heaters	19
Electric storage—hot water heaters	12
Oil storage—hot water heaters	2
Tankless heaters	65
Water Closets	412
Lavatories	384
Bath Tubs	172
Showers	43
Urinals	19
Sinks	172
Laundry Trays	16
Dishwashers	15
Disposals	7
Washing Machines	42
Drinking Fountains	9
Drains	7
Sewer Connections	36
Developing Tank	1
Water-cooled Air Conditioners	2
Fees for permits	\$1,236.00

Respectfully submitted,

KENNETH G. SHAW

Inspector of Plumbing

## Report of Dog Officer

I herewith submit my annual report as Dog Officer for the year ending December 31, 1964.

Stray dogs picked up	150
Stray dogs returned	118
Stray dogs disposed of	32
Stray cats picked up	69
Stray cats returned	8
Stray cats disposed of	61
Dead animals picked up	126

Respectfully submitted,

JOHN W. HOPKINS

Dog Officer

32 Old Nahant Rd.,

Wakefield, Mass.

## Report of Wire Inspector

I submit the following report of my activities for the year ending December 31, 1964.

Permits granted	736
Inspections made	1,420
Inspections approved	687
Temporary service permits	15
Temporary approvals (service only)	50
Change in service (two to three wire)	85
Permits for larger three wire service	22
Permits for commercial lighting service	15
Permits for commercial power service	10
Installations not passing inspection	51
Installations corrected and passed	48
Meetings on jobs with electricians	67
Property owners notified to make wiring changes	27
Inspections requested by Fire Department	5
Inspections made with Fire Chief	7
Inspections requested by Municipal Light Department	7
Notified for wiring without permit and payment of fees	31
Inspections after fire damage	6
Inspections of kindergartens	10
Inspections of Convalescent Homes	16
Inspections of Public Schools	26
Inspections of Public Buildings	10
Fees collected January 1, 1964 to January 1, 1965 and deposited in Wakefield Trust Company	\$1,873.50

Respectfully submitted,

JOHN J. CURRAN  
Wire Inspector

# Report of Animal Inspector

I herewith submit my annual report as Animal Inspector for the year ending December 31, 1964.

Sixty nine (69) animals were quarantined as a precautionary measure against rabies.

There were no cases of rabies in Wakefield during 1964.

All cattle and their quarters were inspected and found to be satisfactory.

Respectfully submitted,

JOHN W. HOPKINS

Animal Inspector  
32 Old Nahant Rd.,  
Wakefield, Mass.

# Report of Sealer of Weights and Measures

The following is a report of the Sealer of Weights and Measures Department for 1964.

	Adjusted	Scaled
Scales over 10,000 lbs.		3
Scales over 5,000 to 10,000 lbs.		1
Scales over 100 to 5,000 lbs.	5	18
Scales under 100 lbs.	9	105
Avoirdupois Weights		19
Apothecary Weights		70
Gasoline Meters	10	118
Oil-Grease Meters		20
Vehicle Tank Meters	3	22
Bulk Storage Meters		7
Leather Measuring Devices		1
	—	—
TOTAL	27	404

Inspected 385 lbs. of food stuffs (meat, vegetables, bread, etc.)

PASQUALE J. CARISELLA

Sealer of Weights and Measures

# Report of Building Inspector

I submit the following report of my activities for the year ending December 31, 1964.

Building permits granted	171
Sets of plans for new houses, schools, alterations and additions approved	155
Building inspections made	1542
New dwellings	46
Inspections with State Inspector	11
Buildings condemned	3
Inspections with Fire Chief	7
Inspections of Fire Jobs	25
Complaints investigated	154
Complaints investigated regarding Zoning By-Laws	150
Violations of Zoning Laws checked	160
Public Halls inspected	7
Lodging Houses inspected	4
Sign inspections	60
Shingle permits issued	18
Sidewalk permits issued	33
Elevators inspected	22
Fire escapes inspected	2
Buildings razed	32
Convalescent Homes inspected	8
Permits refused	22
Board of Appeals meetings attended	28
Miles driven	7,050
Calls received at home after hours	214
Buildings moved	3
Permit fees received	\$721.00

## PERMIT VALUATION FOR LAST SIX YEARS

1959	\$3,671,570	1962	\$1,195,850
1960	2,024,560	1963	2,280,445
1961	2,522,908	1964	1,110,028

Respectfully submitted,

FRANK A. TREDINNICK

Building Inspector

# Report of Director of Civil Defense

Gentlemen:

This department was organized pursuant to directives issued by the Governor of Massachusetts and Chapter 639 General Laws of Massachusetts.

There is one paid employee serving part time as office clerk and field agent. The director and all other members of the organization are serving on a volunteer basis.

**ADVISORY COUNCIL:** The Director of Civil Defense requested the Board of Selectmen to reactivate the Advisory Council.

**COMMUNICATIONS:** The Quannapowitt Ham Radio Association has obtained a club license for our RACES network. It is licensed in the name of the late Everett Whitney and eliminates legal problems involved with licensing through an individual.

**POLICE - FIRE SERVICES:** These organized groups received regular training and are available as are all units for varied types of emergency

**MEDICAL:** A small group of highly trained personnel stand ready to man our emergency hospitals and fill in on minor emergencies.

**MATCHING FUNDS:** It is recommended by this department that the Town take further advantage of this program in all areas.

**SHELTER:** This continued program is under the direction of Deputy Director Frank A. Tredinnick.

The State level has displayed remarkable progress in the past year and the impact of this organizational and operational preparedness is already being felt at the local level.

Respectfully submitted,

JAMES T. HURTON

Director of Civil Defense

## *Reports of*

HEALTH DEPARTMENT

WELFARE DEPARTMENT

VETERANS' SERVICES

RECREATION COMMISSION

## Report of Board of Health

In the year 1964, the following cases were reported to the Board of Health.

Chicken-pox	79
Mumps	8
Dog Bites	46
Scarlet Fever	12
Measles	191
German Measles	360
Salmonellosis	2
Scarletina	3
Tuberculosis	3

Measles and German Measles were at a high peak as was evidenced throughout the State.

Oral Sabin Vaccine has been available at the Board of Health office throughout the year for anyone who has desired to take advantage of it.

Diphtheria, Tetanus and Whooping Cough immunization clinics were held in February, March, April, and May, for pre-schoolers and first and sixth grades with 19 receiving a series of three inoculations, and 110 receiving booster inoculations.

At the present time, there are two patients in the hospital with Tuberculosis. There has been a total of 7 admissions throughout the year, with a total of 3 new Tuberculosis patients and 14 patients on Chemotherapy.

In the Spring of 1964, the Public Health Nurse conducted a follow-up investigation of all school children who had shown a positive or suspicious reaction to the Tine Tuberculin Test which had been given in the Wakefield schools.

As a result of this work, 2 children were put on preventive Chemotherapy, following further testing, and the remaining children were ruled as negative but will be kept under observation for some time.

In May of 1964, one case of possible Rabies was reported to the Board of Health. The patient received twenty-one treatments of Rabies Vaccine as recommended by the State Dept. of Public Health and showed no untoward effects.

In October, both the Board of Public Health and the Public Health Nurse were awarded certificates of appreciation "for outstanding service in improving community health in the fight against Tuberculosis and other respiratory diseases," by the Middlesex Tuberculosis and Health Association.

The following is an abbreviated summary of field trips, nursing services and investigations made by the Public Health Nurse:

Nursing visits to Tuberculosis patients and contacts	76
Number of trips to San for X-rays	45
Number of Contacts to T.B.C. patients X-rayed or O.T. tested	42
Number of case patients registered X-rays	39
Premature baby investigations	12

Respectfully submitted,

NORMAN S. BOSWORTH, Chairman

EVAN H. FAIRBANKS, Secretary

ROBERT DUTTON, M.D.

## Report of Board of Public Welfare

The Wakefield Board of Public Welfare respectfully submits its Annual Report for the year 1964. The Board consists of Harold C. Robinson, Chairman, Virginia M. Jackson, Secretary, P. Elizabeth Kitchenman, M. Leo Conway and William D. Scott.

The Welfare Department consists of eight (8) employees, the Director of Public Assistance, three Social Workers, one Jr. Accountant, two Senior Clerk-Typists and one Jr. Clerk-Typist. All have Civil Service status which the law requires. During 1964, the agency lost two very valuable employees namely: Mary E. McKenna due to retirement and John J. Hurton who became a Field Representative for the State Welfare Department.

The various categories of assistance under the supervision of the Welfare Board are General Relief, Aid to Dependent Children, Disability Assistance, Old Age Assistance and Medical Assistance for the Aged. The last four are part of the Social Security Act and are governed by Federal and State Law. In order for a community to receive re-imbursement under these programs, the various laws passed by the Federal and State Governments regulating payments to the recipients both maximum and minimum must be adhered to, also the various laws and rules regulating accounting procedures to be followed, administration, etc. Failure to comply with these various laws and regulations results in dis-allowances from the State and Federal levels.

The preservation of human dignity, the maintenance of family units and social rehabilitation constitute the underlying philosophy of modern public assistance. Social problems do not disappear under the shield of wishful thinking, nor are they eliminated by the criticism of a few isolated individuals ignorant of the causes of social problems; indeed, as long as man inherits the earth, they will be with us. Various Welfare conferences and workshops are being planned in 1965, for the Administrators and Social Workers of local Boards in order to get a broader knowledge and acquire new effective techniques in coping with social problems and changing laws.

Where does Welfare money go? The bulk of it goes for Old Age Assistance. Those who get this type of relief average seventy-six years of age and they have little or no money of their own. Often they are people who have worked all their lives in low paying jobs — people who have had no chance to put funds aside for their old age; many have no Social Security coverage or did not belong to a pension program. Another program is for the Aged Medical Indigent — those who are confined to Nursing Homes and those who have large hospital bills.

Still another program is for the permanently and totally disabled, and it is hard to argue against the need of assistance for persons in these categories. Together these programs account for roughly three-fourths of the expenditures for Welfare in this State; this is not to mention the Aid to Families with Dependent Children and General Relief. The Aid to the Blind and Division of Child Guardianship are administered solely by the State Welfare Department. Attached are charts of the various categories showing expenditures for the year 1964.

## OLD AGE ASSISTANCE — 1964

## Administration

Administration costs cover all expenditures by the Board to administer the five (5) programs under its supervision namely: Old Age Assistance, Medical Assistance for the Aged, Disability Assistance, Aid to Families with Dependent Children and General Relief. Those employees participating in Social Service have their salaries reimbursed by the Federal Government in the amount of 75% and those not participating in Social Service are reimbursed by 50%. The State reimburses 12.5% and the Town assumes 12.5% of salaries. The balance of administrative costs are reimbursed by the Federal Government by 50% and the State's share is 25% and the local share is also 25%. The Town must raise the State's share and the local share, then the State reimburses Wakefield and this sum is returned to the Excess and Deficiency Fund. Administration costs for General Relief are not reimbursable by the Federal or State Governments. Federal funds as in the other programs, are restricted by law for the sole use of administration.

This report was prepared for the local Board of Public Welfare by its Director of Public Assistance, Andrew P. Ring.

HAROLD C. ROBINSON, Chairman  
 VIRGINIA M. JACKSON, Secretary  
 P. ELIZABETH KITCHENMAN  
 M. LEO CONWAY  
 WILLIAM D. SCOTT

## Report of Veterans' Services and Benefits

Under Chapter 115, General Laws as amended, the Town of Wakefield is reimbursed one-half of all monies spent, provided that proper authorization from the State as to settlement, dependency and need is shown.

Recipients Expenses	\$40,921.27
Recipients aided	97 Cases
Medical cases aided	58 Cases
Fuel cases aided	31 Cases

### Veterans' Services

Disability Compensation and Pension Applications	152 Cases
Photostatic Copies	189 Cases
Hospitalization at Veterans' Hospitals	37 Cases
Education — House Loans — G. I. Insurance	24 Cases

Respectfully submitted,

RICHARD J. McGRAIL

Veterans' Agent  
 Veterans' Service Director

## Report of Recreation Commission

Weekly meetings were held on Tuesday nights starting at 7:30 P.M.

The Recreation Commission arranged its most varied program since its conception more than 40 years ago.

The following play areas were used: Col. Edward B. Connelly, Harris M. Dolbeare, Montrose, Woodville, Nasella, Mapleway, Common, John J. Round, and Moulton. The swimming areas were: Spaulding Street Bathhouse, and Col. Edward B. Connelly Beach. Permits were also given for Veterans Field and other ball diamonds in town. Walton Field was used for track and field events.

The swimming program was climaxed by a long distance race, the length of Lake Quannapowitt. The number of entrants was the largest ever. Many boys and girls earned their Red Cross Certificates in the Life-Saving classes. These classes were for residents of Wakefield only. They were for both adults and children.

Two of the swimming instructors took advance work at the Aquatic School at Hanson, Massachusetts, whereby they became qualified expert instructors.

A handicraft supervisor visited each playground weekly, and demonstrated work to be done daily by the instructors. This, with story telling gave the children a chance to take part in quiet activities when the weather was too warm for active games.

The handicraft projects were as follows: mosaic ash trays, finger painting, craft sticks, collages, felt, stone-mosaics, pencil holders, stringing beads, coloring and drawing.

Special events during the season were: trips to the Museum of Science and Pleasure Island, Track Meet (boys), Track Meet (girls), Demonstration Day, Swimming Meets, a trip to a Boston Red Sox game, and a Tennis Tournament.

Championships were determined and prizes given in swimming, baseball, volley ball, horseshoes, dodge ball, croquet, badminton, bean bag throw, track and field events, tennis, and handicraft.

The adult physical fitness classes held at the Atwell Building Gymnasium were well attended. On Monday evenings there were classes for women and on Wednesday and Thursday, there were classes for men. At Dolbeare Gymnasium there were classes for men and women in golf instruction.

Tennis was played at Veterans Field, Moulton, and Mapleway.

Future proposals are:

1. To further develop and complete the Montrose playground.
2. To place under the jurisdiction of the Board of Public Works the land formerly known as the Hill Property, and the section of Lake Quannapowitt.
3. To construct two regulation tennis courts to be located in the area north of Spaulding Street.
4. To construct a field house at the Nasella Playground.
5. To have the Moderator at the next town meeting appoint a Committee, to ascertain what State Agency has jurisdiction concerning the dredging of Lake Quannapowitt.
6. To erect stands at Moulton Field for the baseball games there.

The Commission has also asked for the improvement of the baseball diamond at Moulton Field, and two men to maintain not only this area but all the other play areas of the town.

Cookouts were held at the Col. Edward B. Connelly Park in the evenings, more than ever before. The area offers the perfect set up for picnics and cookouts. Many adult residents of Wakefield, along with their families and friends, used these facilities during the evening hours enjoying the evening breezes from Lake Quannapowitt.

The staff consisted of one director and 44 assistants.

The total attendance for all events during the year was 66,744.

There were 117 accidents in 1964. All were given first aid. Two were sent to the hospital for observation, then returned home.

Moneys returned to the Town Treasurer for the sale of swimming tags, and fees for golf lessons totalled, \$1464.02.

## Report of Board of Public Works

Some of the major problems which confronted the Board of Public Works at the beginning of 1964 are, at this writing, still existent, though a considerable amount of our time has been spent seeking solutions to them. These situations will require patience and understanding by the Townspeople before their elimination:

- (1) Flood control of the Saugus and Mill Rivers. A new bill has been filed with the Legislature, by the Board in conjunction with Representative Hugh Morgan, which would erase this problem, if enacted.
- (2) The assurance of an adequate water supply to combat any emergency or conflagration anywhere in Town. A request for a study, based on our existing system has been included under an Article in the 1965 Annual Town Warrant.
- (3) The disposal of refuse and garbage, either by contract incineration, joint incineration with adjacent municipalities, or a single incinerator plant owned and operated by the Town.
- (4) The annual problem, of great import, extension of sewage and drainage systems and other services to accommodate the needs of the Townspeople. We realize fully the considerable outlay of money required to correct even the most needed services, each year, and the requests made under the various Articles have been tempered by the specific needs.

We are gratified that our efforts have been fruitful in the following areas:

- (1) The long-awaited extension of the Montrose trunk sewer, terminating beyond Route 128 at the Industrial Park, will be installed before September 1965.
- (2) Renewal of a policy of close coordination between the Board of Health and the Board of Public Works, in establishing the sewer extension program. Each problem will be evaluated by the combined Boards.
- (3) Establishment of a policy wherein the Planning Board will notify the Board of Public Works, upon release of a subdivision bond, enabling the B.P.W. to sponsor Articles for street acceptances and commence maintenance before any surface deterioration can progress to a point where rebuilding would normally be required before acceptance. This policy should not only save the Town considerable expense, but avoid misunderstanding by the abutters as to the status of the street.
- (4) Completion of Article work on sewers, water relay, drainage, street maintenance, street construction, and the completion of sidewalk installations to fulfill individual requests dating back 8 years. Due to this updating, a few sidewalk requests made in 1964 are still outstanding.

Public Works Director, Richard Boutiette, has consistently applied himself to upgrading the Department through increased efficiency in its various Divisions. We are cognizant of many of the Director's problems in achieving a well-run operation. Foremost of these is the inadequate housing facilities,

for costly items of equipment and vehicles, and the geographic separation between the administration and the operations activities, necessitated by the existing North Avenue complex, as it stands. This matter has been studied at length and recommendations by a Public Works Building Committee, appointed under the 1964 Annual Town Warrant, appear as an Article in the 1965 Annual Town Warrant.

In a year notably marked for its economy, the Board of Public Works has completely ignored a consideration of time in applying itself to the problems of our neighbors, whether a hardship to an individual or one of townwide scope. Many of our meetings have extended beyond the midnight hour, before adjournment, in order to fully discuss matters presented to us for disposition. We hope that the year's progress is indicative of the effort applied.

Respectfully submitted,

PAUL A. DONOVAN, Chairman  
DAVID F. CARPENTER, Secretary  
THOMAS F. DALEY, JR.  
SABATINO BENEDETTO  
HARRY H. DENNING

Board of Public Works

## REPORT OF THE DIRECTOR OF PUBLIC WORKS

To the Board of Public Works

Gentlemen:

As required by Chapter 48 of the Acts of 1950, an act authorizing the Town of Wakefield to establish a Board of Public Works, I respectfully submit for your consideration a report of the work accomplished in 1964 with recommendations for the future.

Steady progress was made this year in our maintenance programs for sidewalks, streets and drains. Chapter 782 of the Acts of 1962 allowed us sufficient funds to resurface eight local streets. Chapter 822 of the Acts of 1963 will provide funds in this coming year to do a similar amount of work.

Outstanding among the problems facing us is the disposal of rubbish and garbage. It appears that the only long range solution to this problem is incineration to which end we are presently conducting departmental studies and cooperating with the Incinerator Study Committee towards an early solution.

The Town has been successful in obtaining participating financial aid from the State Department of Public Works, Waterways Division, under Chapter 91, for improvements to the Mill River. This is the first step toward the ultimate solution of our drainage problems which of course cannot really effectively be eliminated until favorable action by the State Legislature on a bill filed by the Board of Public Works to widen and deepen the Saugus River from the Wakefield line to near Route 1 in Saugus.

Our water distribution system is still in need of improvement, it is my feeling that additional storage is needed for adequate fire flows and pro-

tection and the Board has requested a restudy of this problem by Consulting Engineers. To combat our rusty water problem we contemplate a semi-annual flushing program which will start in the spring in cooperation with the State Department of Public Health.

The Construction Division and expanded Engineering Division, established in 1963, has worked out well, giving us better control and economy in the administration of our contractual operations.

It is still my strong recommendation that the Public Works Department be physically located in one place and that additional garage space be provided for the housing of our equipment. This need becomes more pressing each year as the town grows in size and demands for service increase.

For additional details of the work accomplished this past year you are referred to the following reports of the Division Supervisors.

RICHARD C. BOUTIETTE, Director

### **REPORT OF THE ENGINEERING DIVISION**

Plans, specifications and contracts were prepared for the following projects voted in the 1964 Town Meeting:

Sanitary sewers, storm drainage, roadway and sidewalk construction. There was an extensive program for constructing sidewalks as requested by individuals in various parts of the Town.

The most extensive project was the Saugus River Trunk Sewer — Stage II. This project will bring sewerage to the Industrial Park on Route 128, as well as to residents in the Salem Street and Walton Street area. The design, plans and specifications were prepared by this office and submitted to State and Federal engineering offices for approval. Approval was received and the project will be under way by the end of February of this year.

Engineering services required by all divisions of the Department of Public Works were provided by this division.

Assessments for all work accomplished under the Betterment Act were calculated and committed to the Assessors Office.

Estimates of cost of the various projects contemplated by the Board of Public Works in 1965 were made to aid in establishing the proposed work programs.

This division worked in conjunction with the Planning Board in planning and supervising the construction of subdivisions approved by the Planning Board under the provisions of the Subdivision Control Law.

Respectfully submitted,

JOSEPH F. CASAZZA, Town Engineer

### **REPORT OF THE MOTH AND TREE DIVISION**

The Dutch Elm Disease continues to be our major problem. We had seventy eight trees with this disease and most of them have been removed. According to the State Laws the remaining trees should be removed before the first of April.

Most of our elm trees were sprayed by our mist blower.

Japanese Beetles and Tent Caterpillars have increased in many areas.

We planted one hundred and sixty trees on new and various streets throughout the town. Sixty of these trees were from our own nursery and the remainder were purchased.

I would like the continued cooperation of all property owners to destroy, or put under cover, all dying or freshly cut elm wood. This is our only means of combating Dutch Elm Disease.

At this time I would like to express my appreciation to the Board of Public Works and its Director for their cooperation. I would also like to express my appreciation to the personnel of the Municipal Light Department for their continued cooperation.

Respectfully submitted,

ERNEST J. McWHINNIE, Supervisor

### **PARK DIVISION**

In addition to our regular maintenance work the following special projects were completed in 1964.

#### **Hall Park Development:**

1037 linear feet of berm, approximately 600 feet of a 20 foot hot top road, a hot top parking area — approximately 4800 square feet and approximately 3000 square feet of hot top walk was installed by Warren Brothers. The installation of 185 cubic yards of gravel and grading for the above was completed by our own department.

The loaming and seeding of an area approximately 9840 square feet required 202 cubic yards of loam. This completes the development of Hall Park.

Eight cubic yards of cement was used to install 22 benches within the Park.

714 linear feet of cedar fence was installed along North Avenue and part of Lakeside Avenue.

#### **Rockery**

Our own department installed approximately 315 feet of a five foot hot top walk completely around the Rockery.

#### **Common**

4200 square feet area was loamed and seeded.

Five new benches were installed in cement.

Three large trees were planted.

One large slide was removed from the Montrose School and installed in the Common Playground.

#### **Colonel Connelly Park**

Approximately 100 linear feet of chain link fence was straightened by our department.

### Montrose Playground

A play area of approximately 10,000 square feet was developed. We installed two swings, seesaw and slide.

### Hartshorne House

Area around the Garden House was loamed and seeded and new steps installed.

### Skating Areas

Skating rinks were installed at the following playgrounds: Moulton, Dolbeare, Woodville, Mapleway, Nasella and J. J. Round, to no avail.

Polyethylene has been used to hold the water in the rink which is boarded by a 2" x 6" plank and banked with loam.

Polyethylene is unsatisfactory as it can be easily punctured by the men applying it, children, pebbles, twigs, sharp stones and ice itself. Air seems to stay beneath it and forms large air pockets when water is applied.

Other means for skating rinks should be looked into.

## CEMETERY DIVISION

The following is from the 1964 records:

Interments:

Adults	108
Infants	5
	<hr/>
Total	113
Foundations	54

Two hundred linear feet of chain link fence was installed on the boundary of the southeast side of the cemetery.

Two hundred sixty seven linear feet of 8" pipe was installed for drainage within the cemetery.

Five hundred forty linear feet of a 15 foot roadway was resurfaced and five hundred linear feet of 6" water main was installed.

Two hundred spreading yews were planted in the new Catholic Section.

A new oil burner was installed in the Office Building at the Cemetery.

PHILIP J. COLANTUONIO, Supervisor

## REPORT OF THE HIGHWAY DIVISION

**Street Cleaning:** All streets were cleaned in the spring, the same in the fall. Business area cleaned three times weekly — weather permitting.

**Traffic Lines:** This work done annually by contractor. All center lines, crosswalks, stop lines, parking lines, traffic lines, etc. are included.

**Snow & Ice Removal:** 2015 tons of sand and 897 tons of salt were used during the winter season.

**Cleaning Catch Basins:** 1218 catch basins, manholes and sluiceways were cleaned during 1964.

**Miscellaneous Drainage:** Various brooks were cleaned throughout the town, several broken catch basins and manholes were rebuilt and pipe replaced where necessary.

**Sidewalk Repairs:** Cement — Flint, Grafton and Howard Streets — 415 feet; Main Street, Greenwood 618 feet. Hot top — Pleasant Street 794 feet, Cordis Street 541 feet, Melvin Street 134 feet, Church Street 380 feet. Various other locations were patched and resurfaced.

**Patching:** Patching in conjunction with Chapter 782 and miscellaneous patching on various other streets.

### **Capital Expenditures**

Rubbish Receptacles  
Surfaced Highway Yard  
1-2½ ton Truck  
Replaced Compressor  
1—Sidewalk Tractor  
1—Sander replaced  
2—10 foot Plows

### **Special Appropriations**

**1964 Chapter 90 Maintenance:** Town Forces

Vernon Street (from Water Street to Salem Street) — finished with resurfacing funds.

**1963 Chapter 90 Construction:** Contractor — Walter Reed Corp.

Albion Street from Broadway to Railroad Tracks.

**1964 Chapter 90 Construction:** This work has not been advertised by the State to date.

**Drainage:** Town Forces — Butler Avenue @ No. 109, 36 feet 12 inch pipe; Charles Street from Woodbury Road to Birch Hill Avenue 340 feet 12 inch pipe; Lowell Street from Drury Lane easterly, 300 feet 12 inch pipe. Contractor — S. Rotondi & Sons, Inc. — Wakefield Brook to Mill River, Vernon Street to New Salem Street.

Contractor — Joseph P. Cardillo & Son — from Reading Drainage Canal to near Parker Circle.

**Sidewalks:** Miscellaneous sidewalk requests and backlog completed — 25.

**Streets:** Contractor — Walter Reed Corporation — Thorndike Road and Drury Lane.

**Chapter 782 Highway:** Town Forces

Improvements: Lake Street, Parker Road, Sweetser Street, Church Street, Myrtle Avenue, Prospect Street, Oak Street, Renwick Road.

## **SEWER DIVISION**

### **Sewer Construction**

#### **By the Town**

Forest Street — from #21 easterly 356 feet to #5.

Layton Avenue — from Hopkins Street easterly 158 feet to #4.

Main Street — from Hanson Street southerly 877 feet to #1276.

Melvin Street — from #67 northerly 164 feet to #66.

Myrtle Avenue — from #37 southerly 88 feet to #39.

Park Avenue — from Prospect Street southerly 170 feet to Bellevue Road.

Bellevue Road — from Park Avenue easterly 174 feet to Stoneham town line.

Stedman Street — from #9 northerly 90 feet to Chestnut Street.

**By Contractor Under Town Supervision**

Woodbury Road — from Charles Street southerly and easterly 389 feet to end.

Mill River Trunk — from Farm Street easterly 1,779 feet through private land crossing Wiley Street to rear of #525 Water Street.

Saugus River Trunk — from rear of #525 Water Street northerly 1,644 feet through private land crossing Water Street and Sycamore Road to rear of #55 Montrose Avenue.

Montrose Connector — from rear of #55 Montrose Avenue westerly 926 feet to Montrose Ave.

Montrose Avenue — from Montrose Connector northerly 410 feet to #69 and southerly 1,157 feet to #6.

Ledgewood Road — from Montrose Avenue westerly and northerly 808 feet to #29.

Valley Street — from Trunk near #77 northerly 169 feet to #73 and southerly 216 feet to Nahant Street.

Nahant Street — from Valley Street easterly 173 feet to #215 and westerly 110 feet to #106.

Spring Street — from Greenwood Street westerly 2,102 feet to Stoneham town line.

**Following constructed in 1962 — not previously reported**

Alpine Circle — from #97 Elm Street southerly 260 feet through private land and westerly 276 feet to #1.

Appleton Road — from New Salem Street northerly and easterly 825 feet to #31.

Baldwin Road — from Appleton Road easterly 373 feet to #14.

Sewer connections made during the year — 125.

Number of connections made to date — 4,524.

MATTHEW P. CURRAN, Supervisor

## WATER DIVISION

### New Water Main Construction

**By Contractor:**

Arthur Road — 500 feet of 6" cast iron cement lined pipe (from Belmont Road southerly to dead end).

Glendale Street — 255 feet of 8" cast iron cement lined pipe (from Greenwood Street northerly and northwesterly to intersection of Belmont Road).

Belmont Road — 555 feet of 8" cast iron cement lined pipe (from Glendale Street northwesterly and westerly to Gregory Road).

### Water Main Extension

**By the Town:**

Forest Glade Cemetery — 560 feet of 6" cast iron cement lined pipe (from main road easterly to existing 2" line).

Farm Street — 518 feet of 8" cast iron cement lined pipe and 1,650 feet of 6" cast iron cement lined pipe (from #3 Old Nahant Road southerly and westerly to opposite #79 Old Nahant Road).

Eaton Street Extension — 255 feet of 6" cast iron cement lined pipe (from Rockland Street westerly to Pleasant Street).

**By Contractor:**

Woodbury Road — 480 feet of 8" cast iron cement lined pipe (from Charles Street to dead end).

**Water Main Relay**

**By the Town:**

Otis Street — 370 feet of 8" cast iron cement lined pipe (from Vernon Street westerly to Pleasant Street).

Rockland Street — 455 feet of 6" cast iron cement lined pipe (from Otis Street northerly to Eaton Street Extension).

Avon Court — 425 feet of 6" cast iron cement lined pipe (from West Chestnut Street northerly to dead end).

**Hydrants Broken — 6**

New Salem Street corner Grand Passway

Opposite #15 Daniel Road

Pleasant Street near Salem Street

Pine Ridge Road near Renwick Road

Between #9 and #11 Farm Street

Old Age Project — off Charles Street

**Hydrants Replaced — 0**

**New Hydrants — 5**

Forest Glade Cemetery

Old Age Housing Project (off Charles Street) (2)

Opposite #7 Rockland Street

Opposite #79 Old Nahant Road

**Services**

New services — 59

Services relaid during year — 133

Number of feet of pipe laid on public land — 927; number of feet of pipe laid on private land 1,774 (new services)

Number of feet of pipe laid on public land — 2,505; number of feet of pipe laid on private land — 1,017 (relays)

**Distribution System:**

Extended during the year — 2,965 feet 6" cast iron cement lined pipe and 1,808 feet of 8" cast iron cement lined pipe

Total number of miles of pipe now in use — 77.07

Number of hydrants added — 5

Range of pressure on mains — 20 pounds to 110 pounds

Number of service taps now in use — 6,673

Percentage of active services metered — 99.7%

During the year, 1,100 pounds of copper sulphate were applied to Crystal Lake

MATTHEW P. CURRAN, Supervisor

## MAIN BREAKS — 1964

## REPORT OF THE SCHOOL COMMITTEE

Two incumbent members of the School Committee were returned to office by the voters at the annual town elections in March. Mrs. Lenora P. LeCours and Harold E. Staunton were voted an additional three-year term.

At the organizational meeting of the School Committee in September the following officers were elected:

Harold E. Staunton, Chairman  
 Mrs. Gertrude M. Spaulding, Secretary  
 John P. Turner, Treasurer

The out-going chairman, Attorney Lawrence J. Fitzgerald, received the plaudits of the committee for his efforts as chairman during the past year.

As in the past, the committee held regular meetings on the second and fourth Tuesdays of each month with the exception of the months of July and August. Special meetings were held in the Fall for the discussion and preparation of the annual budget.

During the year the committee concerned itself with the general progress of all aspects of our educational system. It is with a deep sense of pride that we recognize the loyalty and dedication of our administrators and teachers for providing the children of Wakefield with an effective education.

During the year the committee availed itself of opportunities to meet with various departments to review the progress that each was making. Important areas of Guidance and Remedial Reading were reviewed. The functions of the High School Library under the direction of Mrs. Edith Stewart were also related.

Continued interest in curriculum revision was shown by the committee. Modern Mathematics, Science and Social Studies came under close scrutiny. Encouragement to improve these aspects of the curriculum was given with the support by the committee of summer workshop for teachers who sur-

veyed our local needs and made recommendations accordingly. A ninth grade science course was developed. A basic studies program designed to be of special assistance to the slow learner was developed. A curriculum guide for coordinating social studies for grades 1-12 was organized. Special attention was paid to the drop-out problem as it exists among Wakefield students.

Our summer school program enjoyed another successful year. The enrollment in the summer school at the secondary level was 177 students. The elementary summer school has two distinct schools, an improvement school and an enrichment class. Attendance at both of these schools totaled 207 students. It was significant that this past summer Tufts University selected the Wakefield Elementary Summer Schools as a training ground for teachers and prospective teachers enrolled in the Tufts University Summer School. The Tufts students observed, participated in teaching, did case studies in both schools, prepared detailed lesson plans, and evaluated the programs.

Certain of our high school students were recognized by the committee for their special accomplishments. Two students were selected to present science papers at a Symposium at Massachusetts Institute of Technology. One of these two students was further chosen to present her paper at the National Symposium in Washington, D.C. Our High School Math Team was declared champion of the Massachusetts Mathematics League. Special praise was extended by the committee to those students who were inducted into the National Honor Society during the past year.

Our Adult Education Program continues to serve the interests of those citizens who are desirous of taking part in the program.

The committee observed with deep sympathy the death of Mrs. Mary Louise Tredinnick who, for a period of over seventeen years, had served as a School Committee member and chairman. Her devoted service and valuable contributions to the cause of local education were recalled.

The committee was saddened by the passing of Miss Grace E. Widtfeldt who, for many years had exerted her influence on many of our elementary school children. Her faithful and conscientious service will long be remembered.

The children of Wakefield lost another dedicated friend with the passing of Mrs. Mary E. Hogan, our elementary school nurse. Her many acts of kindness endeared her to the elementary school children.

The committee accepted with deep regret the retirement of the following dedicated people from our professional staff: Miss Eleanor K. Abbott, a teacher of English in our High School, Miss Margaret L. Macdonald and Miss Ruth F. Hiatt, teachers in our Business Education Department, Mrs. Louise E. Anderson, High School Librarian, and Miss Lee Pfeiffer, an elementary school teacher. The community is deeply indebted to them for their commendable and loyal service to the school children of Wakefield.

Two members of our maintenance staff were retired during the past year. Mr. Lyman E. Allen and Mrs. Alice M. Floyd were recognized for their dedicated service to the town.

The School Committee gave its approval to the educational specifications for a new elementary school to be built in Greenwood. It is the hope

of the committee that this project meet with early success so that overcrowded conditions in that section of the town will be alleviated.

The committee again reviewed the teachers' salary schedule and as a result it was voted to adopt the following schedule to be effective September 1, 1965:

Bachelor's Degree

\$5100 - 8000

Master's Degree

\$5500 - 8400

Master's Degree

plus 30 Credits

\$5900 - 8800

Doctor's Degree

\$6300 - 9200

This schedule provides consecutive increments of varying amounts for 11 steps with the maximum being reached after 15 years of experience.

Your School Committee is ever mindful of its obligation to the citizens of the community to provide the best possible education for the children of Wakefield.

HAROLD E. STAUNTON, Chairman

GERTRUDE M. SPAULDING, Secretary

JOHN P. TURNER, Treasurer

WILLIAM W. ALLYN

LAWRENCE J. FITZGERALD

LENORA P. LECOIRS

HENRY B. McCONVILLE

To the Wakefield School Committee:

I have the honor to present for your information, the Annual Report of the Superintendent of Schools for the year ending December 31, 1964.

I would like at this time to express my appreciation and thanks to the School Committee, administration staff, school personnel, town authorities and citizens for their support and cooperation during the past year.

At the outset, I would like to state that education is more than ever being recognized for its true value. No one in our society disputes the real accomplishments attained by proper training. It is being increasingly viewed as the instrument through which man will aspire to greatness and reach complete fulfillment. The rate of change in life has been at a rapid pace and consequently the schools are experiencing the change. Schools have no other choice than to be involved in the perplexing and controversial issues of the day. Education must be the concern of all. School is an integral part of the home and the community. It is a sharing proposition in which the school, church, community and the homes must act cooperatively in giving young people a firm foundation for future living. Modern living is constantly becoming more complicated which bring challenges that the school must face. The youth must learn more rapidly and with more efficiency than ever before. Their intellectual skills must be develop-

ed to their fullest potential. We must provide an educational program of depth and quality that will challenge our students to work to the limit of their capacity.

Those of us who must share the responsibility and leadership for the many actions and judgements that are required to develop our educational program for the needs of today's world face many dilemmas. There is no easy way. We must constantly keep the standard before us of the American way of life which is based on the recognition of the dignity and worth of each individual. Every boy and girl is entitled to the training and development that will challenge only the finest type of response and give to each the realization of his potential and to follow through and know that every student has experienced that fulfillment.

What have we been doing in Wakefield to meet this challenge? A review would indicate that many changes have taken place in our curriculum. An extraordinary amount of time has been given by the professional staff in developing guidelines for action. The programs for Mathematics, English and the Sciences are in constant change. Real growth is in evidence when we evaluate and see a fully coordinated curriculum from Grade I to Grade 12. I think that the year 1965 will be a year of consolidation. We will take stock of our programs and take the time to review and assess our strengths and weaknesses.

In connection with our curricula the most obvious and greatest change in content and method of instruction has taken place in mathematics. Modern mathematics has now been introduced throughout the entire system. This did not happen over night but is the culmination of several years of preparation. The change has taken place gradually first being introduced in the high school, then the junior high and now fully implemented in the elementary grades. Our faculty has been busy studying, attending institutes conducted by the National Foundation, and working on committees to prepare themselves for the new content and techniques.

This change does not mean that we are discarding the old but rather building with the newer approaches and methods. It must be emphasized that most of the old mathematics concerned itself with computational skills and these are still fundamentally important and are still being taught. The "new" mathematics stresses concepts and students are led to discovering the meaning by which a problem is solved. To be concise, every response from the child demands thinking at its best.

Our budget made it possible to employ the services of a School Adjustment Counsellor. His duties are mainly concerned with the elementary children. Children having difficulty in the social area are referred to the counsellor by staff members. The counsellor has been able to establish a helpful relationship between the school and the home which improves many situations that in the past militated against the child's adjustment to school and life.

Another valuable addition to our staff is a speech therapist. Speech therapy has been given to young children whose speech is noticeably different from that of his associates. The services are directed toward helping the child with impaired speech to better communicate with others. Help has also been provided to some students with a serious hearing loss.

Special services are added to our program which are accepted and become a permanent part of the yearly program. I would like to list a few of them:

1. An adult evening vocational education program
2. Elementary and Secondary summer school
3. Home instruction for the physically handicapped
4. An expanded program of remedial reading from Grade I to Grade 12
5. French introduced in Grade 4 and extended to Grade 12
6. Transportation for the physically handicapped
7. Expansion of the Special Class Program
8. Guidance personnel for counseling of students in the Secondary Schools
9. Sight Saving Program for the needy
10. Growth in the music program
11. An established and expanded extra curricular physical education program.
12. Adjustment Counselling Service
13. Individualized instruction and refined grouping in all classrooms

More and more of our students are continuing their education beyond the high school. The guidance director reports that the largest percentage of students were accepted at a wide variety of colleges this past year. We have reason to be proud of the acceptance of so large a number of our graduates in spite of the competition and increasing difficulties in obtaining admission to colleges. It indicates the quality of education they are receiving.

The Supreme Court's decision outlawing Bible reading caused some consternation in educational circles. It has not, however, changed the responsibility of the schools toward the development of self respect, integrity, moral responsibility, brotherhood and the respect for spiritual enrichment. Our society has always maintained a high respect for basic spiritual and moral values. The schools cannot overlook this and therefore our work is planned so that students will have experiences which provide opportunities for the development of understanding and an appreciation and acceptance of these values.

Five of our veteran teachers accepted the provisions of retirement from their chosen profession. Their service totaled 180 years of teaching the youth of Wakefield. It is with full appreciation of their years of service that we wish for

Mrs. Louise Anderson

Miss Ruth Hiatt

Miss Margaret Macdonald

Miss Eleanor Abbott

and Miss Lee Pfeiffer a rewarding and happy retirement.

A schools effectiveness is measured by the quality of its teachers.

School costs continue to rise just as virtually everything in life costs more in today's market. The property tax being the main source of income in a municipality, the property owner bears the brunt of these rising costs. The time has come when our state legislature must face realities and find a solution for increased aid. Public education is a state function and the state should assume a greater responsibility in supplying funds for its operation. Our present aid is based on equalized formulas established in 1945. Present day relationships are required. Our state can and should provide greater financial assistance.

School costs have remained moderate in Wakefield when compared with many comparable towns. Our budget increases substantially each year but the increases are not exorbitant. Some inferences may be drawn from this but we wish to state emphatically that Wakefield schools do have a good reputation and high standards of education are maintained.

## MAJOR REPAIRS AND IMPROVEMENTS

### Senior High School

The brick exterior of the Memorial Building was pointed where needed and the south elevations were treated with waterproofing solution. The lobby wall panelling and doors were refinished. All interior window sash and sills and metal clad firescreen doors in the Memorial Building; seven classrooms, three toilet rooms, the boys' shower room, team locker room, the front office and other miscellaneous areas in the Willard B. Atwell Building; and the parking lot lines were painted.

Five classroom floors were sanded and refinished. The worn floor tile in one stairway was removed and replaced with vinyl asbestos tile. A poured, reinforced concrete floor was provided for room 014 replacing the wood floor. New roofing was installed over the auditorium, gymnasium and boys' shower area of the Willard B. Atwell Building. Edge cleat and flashing repairs were made on the lower level roof of Section B, Memorial Building. Front walks were repaired including resurfacing of the front entrance of Memorial Building.

There was a partial replacement of tubes and the rebuilding of the refractory in one boiler, with repairs to the refractories of two others. The thermostatic elements were replaced and the traps and strainers cleaned in one heating zone and in the boiler room.

Window screens for the home economics room and air conditioning equipment for the Superintendent's offices have been purchased and installed. Student and teacher furniture for six classrooms and other items of equipment were replaced.

### Junior High School

The exterior of the bridge and the south elevations were painted.

**Elementary Schools**

Exterior trim at the Harris M. Dolbeare School, weathered areas of trim at the Mary E. Walton School, the Greenwood School fence and basement areas at the H. M. Warren School were painted. A storage area was built, new flush toilets and water service were installed, the underground roof drainage was corrected and a defective boiler section was replaced at the H. M. Warren School. Boiler refractories were rebuilt at the Lincoln and F. P. Hurd Schools.

Steam traps were cleaned and their thermostatic elements replaced at the Harris M. Dolbeare and Mary E. Walton Schools. The incinerator flue was rebuilt and pointing and masonry repairs were made at the Mary E. Walton School, where, also, a new flag pole was erected.

The cast stone cornice belt at the Montrose School was covered with lead coated copper flashing. A program of rehabilitating the Greenwood and Franklin School roofs has continued. The playground area at the Harris M. Dolbeare School has been improved by clearing, fine grading and seeding the border areas. The hot top paving at the West Ward and H. M. Warren Schools was extended with provisions for surface water drainage installed at the Warren School.

Tables, shelving and books were purchased to furnish a library as a memorial to Grace E. Widtfeldt at the F. P. Hurd School. Reading chairs for the Woodville and Franklin Schools, a stage draw curtain at the Woodville School, a chain link fence for the West Ward School and other items of equipment for the various elementary schools have been acquired and put into service.

**General**

A 1964 model pick up truck and an aerifier were purchased.

Reports are on file in my office submitted by the administrative staff. These reports indicate in more specific detail the many accomplishments and activities of their particular schools and are available for your study.

Respectfully submitted,

JOHN B. HENDERSHOT, Superintendent of Schools

Winifred Myette	Helper
Evelyn Morrison	Helper
Ruth Ricciutti	Helper

**COMMENCEMENT PROGRAM — CLASS OF 1964****THE CLASS OFFICERS**

President, Anthony James Pietrafitta, Jr.

Vice President, Thomas Neafsey Stuetzer, Jr.

Secretary, Barbara Anne Burton

Treasurer, Dorothy Louise Brennan

**CLASS SONG**

The memories that we hold of Wakefield High  
Will not, like sparks of fire, soar and die,  
But never will they have so bright a glow  
As those with which our thoughts now overflow.  
We feel today the deep and humble pride  
Of finding friendship waiting at our side,  
Of learning that our plans have turned to deed,  
Of knowing that tomorrow we shall lead.

CHORUS: Dear Wakefield High, as solemnly we peer  
At years ahead, though still our hearts are here,  
Within we feel whatever we may do,  
Our guide will be the years we followed you.

Words by Sally Ann Farrington

Music by Jean Anne Patriquin

**Class Colors**

Light Blue and Silver

**Class Motto**

Today we follow; tomorrow we lead.

## THE THEME

The world is charged with the grandeur of God

Gerard Manley Hopkins

## REPORT OF THE LIBRARY TRUSTEES—1964

For the second year the concern of the Trustees of the Lucius Beebe Memorial Library in 1964 has been the enlargement of the main library building. Plans have been completed for suitable new construction, predicated on a maximum population of 30,000—a figure set by the Town Planning Board—at an estimated cost of \$365,400. Under these plans the main library building would provide space for approximately 250 readers and 100,000 volumes.

At the Greenwood Branch, in the spring, the Home Garden Club of Greenwood gave flowering shrubs to beautify the grounds.

At the annual meeting of the Library Board, Mr. Phillips C. Davis declined re-election to the office of Chairman. Citizens of the Town, especially Library Trustees, are indebted to Mr. Davis for nine years of dedicated and gifted service as chairman. Mr. Davis, fortunately continues as a member of the Board.

Mr. Leslie J. Wilson was elected Chairman and Mr. David E. Sparks, Vice-Chairman. Mr. Sparks is also Vice-Chairman of the Massachusetts Library Trustees Association.

On November 10, 1964 the Board voted with sincere regret to accept the resignation of Mrs. David Hodgdon. Mrs. Hodgdon became a Trustee in May 1959. During her period in office she was active in behalf of the town library but she served also beyond the local area. As Boston representative for the Great Books Foundation she brought distinction to the town and to the library. Under her leadership in the current year, six successful Jr. High School and Elementary School Great Books Groups, as well as adult groups are functioning.

At the May meeting of the Board, a separate fund to be called, "The Mary Louise Tredinnick Memorial Fund," was established—the yearly income from this fund to be used to purchase books representative of Mrs. Tredinnick's diversified interests.

At a joint meeting of Selectmen and Library Trustees on December 1, the Rev. John G. Koehler was elected to serve until the Town elections on March 1, 1965.

The death of Mrs. Leslie A. Needham, a former member of the library staff and a former Trustee, was noted with sorrow in December. Mrs. Needham was a member of the Board from January 2, 1946 to October

10, 1957. She was Secretary for eleven years. Resolutions in her memory have been prepared.

The Trustees commend Miss Taylor and her staff for a year of able and devoted service. The Trustees thank the library patrons for their loyalty during 1964 and bespeak the support of all citizens of the town in the endeavor to give Wakefield the library service it deserves.

#### **LIBRARIAN'S ANNUAL REPORT—1964**

A public library should be a treasure house for all ages. We hope that this is true of the Lucius Beebe Memorial Library, although we know that at present it is a very crowded treasure house. But the treasure is there, and with the help of the staff everyone, from kindergarten through retirement may find something to fulfill their needs.

##### **Working with children.**

In spite of crowded conditions, the two children's librarians, Mrs. Duggan and Mrs. French, have circulated almost 55,000 books, answered 1500 reference questions, held a pre-school story hour for fifty children and a film program for the same number of school children every week during the winter, and a reading club with two hundred members during summer vacation. This program closed with a Marionette Show put on by the Animal Rescue League of Boston. Each kindergarten in town has visited the library at least once during the year, for a program of films and stories, and many 5th and 6th grades came for a visit with their teachers. This year Mrs. Burke's class of trainable children spent a morning at the library and enjoyed their visit. We hope this will be a yearly occurrence as there are not too many places this class can enjoy.

Mrs. Duggan has visited two PTA groups to talk about childrens' books and has suggested book lists for proposed libraries at the Hurd and Dolbeare schools. She attends a children's book review meeting once a month and Mrs. French reviewed Children's films for the Massachusetts Film Corporation, of which this library is a member. Both librarians are members of the Round Table of Children's Librarians.

This year Mrs. Margaret Gardner has been in charge of the school collection. Teachers have selected their own books and changed them as they needed. New teachers visited the library at the beginning of September to talk about ways teachers and librarians could help each other.

This same kind of activity on a smaller scale goes on at the Greenwood and Montrose branches. Pre-school story hours with 25 to 30 children

met at each branch during the winter, and at Greenwood, a group of 25 school children met during the summer to discuss their interests and hobbies and find out how books could help them. At Montrose the display case has been used to show young borrowers' hobbies.

### **Work with Young Adults**

The Youth Room continues to be the most crowded section of the Library. In an effort to make some book space, the display case was replaced by a double sided bookcase thus giving shelf space for 360 more books. Two small bookcases were put in front of the fireplace to accommodate books on a special college preparatory course book list. There are still books on top of the book cases and there is no space for the increasing demand for special assignment books. Mrs. Bush, Youth Librarian, has answered over 6700 reference questions, has selected books for purchase which will help the students in their assignments, has spoken to all sixth grades, either at their schools or in the library, and has cooperated with school librarians and teachers to help the students in every way possible.

### **Work with Adults**

During the year there has been much activity in the adult section of the library. The circulation desk is quite inadequate for the increasing volume of work. The fact that at the end of 1963 we discontinued telephone renewals and increased the loan period from two weeks to four, has cut our circulation figures for the year, and made it possible to continue to function in difficult circumstances. In addition to our usual borrowing and lending of books with our neighboring libraries we have for the first time borrowed microfilms from the Canadian Archives in Ottawa to help a borrower in his genealogical studies. There is a growing interest in genealogy and our local history collection is very well used. We have also had a number of letters requesting such information.

Reference questions are on the increase, about 1650 having been answered in person or by telephone. The reference room, like the youth room is overcrowded, and new books must be put on top of the cases. Among the many new reference works added during the year were a twelve volume Jewish Encyclopedia, the Britannica World Language Dictionary in 2 volumes, the International Encyclopedia of Chemical Science, and an Encyclopedia of Management.

During the past few years there has been a noticeable increase in the number of people, both students and adults, using the library for study and reference work. This is true of the branches as well as of the main library. Unfortunately there is also an increase in behavior problems, due in part, but not entirely to overcrowding. One very disturbing fact is the increase in book theft and mutilation. Here again detection is made more difficult because of crowded rooms.

### **Community Participation**

Wakefield residents are justly proud of their library and not only use its facilities but help its activities in many ways. This year we received a large gift of recordings from Miss Buffy Sainte-Marie—a local folk singer. Many books have been given by individuals and groups in memory

of members and friends who have died. Among these were books in memory of Mrs. Leslie Needham, Mrs. Harris M. Dolbeare and Mrs. George Lee. In addition to books in memory of Mrs. Frank A. Tredinnick, a fund for the purchase of books in her memory was started by family and friends and now totals \$1,100.

The Art Association continues to provide a picture each month for the main lobby and each branch.

Many town groups have used the library meeting room during the year, including three Great-Books groups, one of which is a High School group.

The Wakefield Community Council Calendar of local events hangs in the library lobby. This is an attempt to acquaint citizens with what is going on in the neighborhood and to obviate conflicting dates.

The librarian and staff are grateful for the continuing interest of the community, and for the backing of the Board of Trustees in their efforts better to serve the community.

D. MARJORIE TAYLOR, Librarian

# Report of Municipal Light Board

January 4, 1965

To the Citizens of the Town of Wakefield:

We submit for your consideration the seventy-first annual report of the Municipal Light Board for the year ending December 31, 1964.

The net profit of the Department was \$228,814.32 as compared to \$241,641.00 in 1963. The sale of gas increased 4.34% and electricity 0.17%.

The balance in the Operating Fund was \$219,448.35 as compared with \$304,101.02 in 1963.

The sum of \$205,000.00 was paid to the Town to be used in computing the tax rate for 1964. The total amount paid to the Town is \$1,578,229.57.

The Manager's report, including financial statements for the year are included in this report.

Respectfully submitted,

EDWARD D. CONWAY, Chairman  
JAMES B. WISWALL, Secretary  
JOHN MORLEY

To the Board of Light Commissioners:

The following Condensed Profit and Loss Statement shows the financial operations of the Department for the year ending December 31, 1964 and the difference from the previous year.

Sale of Gas and Electricity	\$1,903,390.43	Increase	\$43,167.45
Cost of Gas and Electricity	1,064,145.40	Increase	13,567.54
Gross Revenue	839,245.03	Increase	29,599.91
Operating Expense	608,072.25	Increase	40,321.56
Operating Revenue	231,172.78	Decrease	10,721.65
Other Revenue	4,484.29	Increase	97.63
Total Gross Revenue	235,657.07	Decrease	10,624.02
Other Expense	6,842.75	Increase	2,202.66
Net Income	228,814.32	Decrease	12,826.68
Paid to Town for the Reduction of Real Estate Taxes	205,000.00	Increase	40,000.00
Net	\$ 23,814.32	Decrease	\$52,826.68

## GAS DEPARTMENT

The Gas Department installed 27 new services and approximately 4000 feet of gas mains.

This included service to the new Elderly Housing apartments which are heated by gas.

## ELECTRIC DEPARTMENT

Our total sales increased 3½ % and our residential sales increased by 6½ %. Our profit is less than 1963 due to a full year operation under the rate reduction which was effective in April of 1963.

The electric rates were reduced again in November of 1964 and will result in a reduction of approximately \$41,000.00 annually.

Our Operating balance in 1963 included refunds of \$28,000.00 from our gas supplier and also included accounts receivable of \$35,000.00 that was due in December 1962.

We installed 65 services to new homes and replaced 428 services. 38 transformers, totalling 1280 KVA were placed in service. 30 new street lights, including 10 in the rear of the High School were added. We also installed 14—1000 watt mercury lights in Wakefield Square, replacing the 400 watt lights.

Approximately 15,000 feet of underground cable was installed on a West Side circuit for greater capacity and reliability.

Financial Statement follows:

MICHAEL F. COLLINS, Manager

# Report of Town Clerk

## ANNUAL TOWN MEETING

### March 9, 1964

Meeting called to order in the auditorium of the Memorial High School building at 7:33 P.M. by Moderator Roger H. Wingate who read the call for the meeting.

On motion by Fred A. Beyer, Jr., chairman of the Finance Committee:

**Voted:** That further reading of the warrant, with the exception of the constable's return, be dispensed with.

Constable's return read by the Town Clerk.

Chairman Beyer read comments on the Finance Committee's position regarding effects of appropriations requested in the various articles of the warrant.

#### ARTICLE 1

To choose all town officers not required to be elected by ballot.

On motion by chairman Beyer of the Finance Committee:

**Voted:** That the Moderator appoint a committee of five to bring in nominations for town officers not required to be elected by ballot.

Moderator Wingate then announced the appointment of the five members of the Board of Selectmen to serve as such committee.

#### ARTICLE 2

To see if the Town will vote to authorize the Town Treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1964, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 4, Chapter 44, General Laws.

Paul Lazzaro and others.

On motion by Mr. Beyer:

**Voted:** To authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1964 and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 4, Chapter 44, General Laws.

#### ARTICLE 3

To determine how much money the Town will raise and appropriate for General Government, Protection of Persons and Property, Health and Sanitation, Public Works, Charities and Veterans' Benefits, Education, Recreation and Unclassified, Public Service Enterprises, Interest and Maturing Debt, specifying what appropriations shall be taken from the receipts of a department.

Board of Selectmen.

## ARTICLE 5

To see if the Town of Wakefield will authorize the Board of Selectmen to indemnify William E. Myers, Jr. for injuries sustained June 30, 1962, while performing the duties of patrolman in this Town. And to further ask that all medical bills incurred by him as a result of such injuries be paid by the Town of Wakefield without receipted bills from William Myers now and hereafter.

**Voted:** Indefinite Postponement.

## ARTICLE 6

To see if the Town will vote to authorize the moderator to appoint a committee of five, consisting of two selectmen and three other citizens for the purpose of studying possible public uses of the Hill Boathouse Property, so-called, said committee to report its findings and recommendations to the Board of Selectmen by June 1, 1964.

Board of Selectmen

**Voted:** To authorize the moderator to appoint a committee of five, consisting of two selectmen and three other citizens, for the purpose of studying possible public uses of the Hill Boathouse Property, so-called, said committee to report its findings and recommendations to the Board of Selectmen by June 1, 1964.

## ARTICLE 7

To see if the Town will vote to amend the general bylaws of the town by adding the following section to Chapter V thereof.

Section 11. The owner of land which has been excavated shall erect barriers or take other suitable measures within five days after such owner has been notified in writing by the Selectmen that in their opinion such excavation constitutes a hazard to public safety.

Board of Selectmen

**Voted:** To amend the general bylaws of the town by adding the following section to Chapter V thereof.

Section 11. The owner of land which has been excavated shall erect barriers or take other suitable measures within five days after such owner has been notified in writing by the Selectmen that in their opinion such excavation constitutes a hazard to public safety.

## ARTICLE 8

To see if the Town will vote to raise and appropriate a sufficient sum of money to pay the rental for the year 1964 to Parke Snow, Inc. for land occupied as a parking area on Center Street, as set forth in a lease dated July 1, 1962.

Board of Selectmen

**Voted:** To raise and appropriate the sum of \$1,200 to carry out the purpose of Article 8.

## ARTICLE 9

To see if the Town will vote to raise and appropriate a sufficient sum of money to pay the rental for the year 1964 to the Boston and Maine Railroad for three parcels of land occupied as parking areas on North Avenue as set forth in an original lease dated November 10, 1955, as extended by vote on Article 4 of a Special Town Meeting held on May 31, 1960.

Board of Selectmen

**Voted:** To raise and appropriate the sum of \$12.00 to carry out the purpose of Article 9.

## ARTICLE 10

To see if the Town will vote to accept the sum of \$125 as an endowment for perpetual care of the Lufkin and Waitt Cemetery lot, and the stones thereon in the old cemetery of the said town.

Board of Selectmen

**Voted:** To accept the sum of \$125.00 as an endowment for perpetual care of the Lufkin and Waitt Cemetery lot, and the stones thereon in the old cemetery of the said town.

## ARTICLE 11

To see if the Town will vote to accept a bequest under the will of George Edward Walker, or to see what the Town will do about it.

Board of Selectmen

**Voted:** That the Town accept a bequest under the will of George Edward Walker to be held in trust and to be known as the George E. Walker Trust Fund, and the income from same to be used by the Town in assisting and caring for worthy poor residents.

## ARTICLE 12

To see if the Town will authorize and instruct the Board of Selectmen to take appropriate action to provide for the Town withdrawing from The Parks Section of the Metropolitan District.

Eugene J. Sullivan

The motion by Mr. Beyer to indefinitely postpone was not carried.

On motion by Eugene J. Sullivan,

**Voted:** That the subject matter of Article 12 be referred to a committee of 5 to be appointed by the Moderator and said committee report at a future Town Meeting.

## ARTICLE 13

To hear and act upon the report of the Incinerator Study Committee appointed under Article 52 of the Annual Town Meeting for the year 1957.

Incinerator Study Committee

On motion by Finance Committee:

**Voted:** That the report of the Committee appointed under the authority of Article #52 of the warrant of the Annual Town Meeting of 1957 be accepted as a report of progress.

## ARTICLE 14

After some discussion, the Previous Question was moved and carried, at 10:14 P.M.; and then, on motion by Finance Committee, it was:

**Voted:** That the Town authorize the Board of Selectmen to file, in the name of, and in behalf of the Town, an application in form and manner required by the United States of America, and in conformity with Public Law 560, 83rd Congress, as amended, and to do whatever else may be re-

quired to obtain an advance not to exceed the sum of \$57,000, to be made by the United States of America to the Town of Wakefield, to be used to defray the cost of contract drawings and specifications for construction of a municipal incinerator for the Town of Wakefield, and to authorize the expenditure by the Incinerator Committee of such advance.

#### ARTICLE 15

To see if the Town will vote to raise and appropriate a sufficient sum of money to provide for the disposal of rubbish and refuse.

Board of Public Works

On motion by Finance Committee:

**Voted:** That the Town raise and appropriate the sum of \$11,200 to carry out the purpose of Article 15.

#### ARTICLE 16

To see if the Town will vote to raise and appropriate a sum of money for the improvement of streets and/or roads under Chapter 90 of the General Laws, and to authorize the Board of Public Works to acquire by purchase or by eminent domain proceedings, rights and easements necessary in connection therewith for construction and to slope land back from street lines, said money to be used in conjunction with any money which may be allotted by the state or county, or both, for this purpose, or take any other action in relation thereto.

Board of Public Works

On motion by Finance Committee,

**Voted unanimously:** That the Town raise and appropriate the sum of \$10,500 to carry out the purpose of Article 16, and authorize the Board of Public Works to acquire by purchase or by eminent domain proceedings, necessary rights and easements for construction purposes.

#### ARTICLE 17

To see if the Town will vote to raise and appropriate a sum of money for the maintenance of various streets built under Chapter 90 of the General Laws, said money to be used in conjunction with any money which may be allotted by the state or county, or both, for this purpose or take any other action in relation thereto.

Board of Public Works

On motion by Finance Committee,

**Voted:** That the Town raise and appropriate the sum of \$1,500 to carry out the purpose of Article 17.

#### ARTICLE 18

To see if the Town will vote to authorize the Board of Public Works to expend a sum of money for the permanent construction or reconstruction of various streets within the limits of the Town and to authorize the expenditure of funds provided by the Commonwealth of Massachusetts, De-

partment of Public Works, under the authority of Chapter 822 of the Acts of 1963 as they become available for this purpose, or take any other action in relation thereto.

Board of Public Works

On motion by Finance Committee,

**Voted:** That the Town authorize the Board of Public Works to expend a sum of money for the permanent construction or reconstruction of various streets within the limits of the Town and to authorize the expenditure of funds provided by the Commonwealth of Massachusetts, Department of Public Works, under the authority of Chapter 822 of the Acts of 1963 as they become available for this purpose.

#### ARTICLE 19

To see if the Town will vote to raise and appropriate a sufficient sum of money for the proper development of the Hall Park property on North Avenue.

Board of Public Works

On motion by Finance Committee,

**Voted unanimously:** That the Town raise and appropriate the sum of \$4,000 to carry out the purpose of Article 19.

#### ARTICLE 20

To see if the Town will vote to authorize the Board of Public Works to accept, or to take by eminent domain proceedings, conveyances or easements from time to time, giving the Town the right to construct and maintain drains, sewers, water lines, retaining walls and streets, and to raise and appropriate a sufficient sum of money to carry out the purpose of this article.

Board of Public Works

On motion by Finance Committee,

**Voted unanimously:** That the Town authorize the Board of Public Works to accept, or to take by eminent domain proceeding, conveyances or easements from time to time, giving the Town the right to construct and maintain drains, sewers, water lines, retaining walls and streets, and to provide therefor the Town raise and appropriate the sum of \$100.

#### ARTICLE 21

That the Town raise and appropriate a sufficient sum of money to construct an addition to the existing Public Works facilities on North Avenue for the purpose of providing additional office and garage space; or to take any other action in relation thereto.

Board of Public Works

On motion by Finance Committee,

**Voted:** That a committee of five citizens, two of whom shall be members of the Board of Public Works, be appointed by the moderator to study the subject matter of Article 21, and report back to the Town not later than at the time of the next annual town meeting.

On motion by Lawrence J. McCluskey,

**Voted:** That this meeting be adjourned to Thursday evening, March 12, 1964, at 7:30 P.M. at the auditorium of the Memorial High School building.

Meeting adjourned at 10:28 P.M.

A true record:

Attest: CHARLES F. YOUNG,

Town Clerk

## Adjourned Session, March 12, 1964

Meeting called to order by Moderator Roger H. Wingate at 7:38 P.M. at the Memorial High School auditorium.

### ARTICLE 22

To see if the Town will vote to raise and appropriate and/or to transfer from available funds a sufficient sum of money to construct or reconstruct sidewalks and/or curbs on various public streets in the Town, and to authorize the Board of Public Works to acquire by purchase or by eminent domain proceedings, rights and easements necessary in connection therewith for construction, to slope land back from street lines and to construct retaining walls. All new construction to be done under the Betterment Act.

Board of Public Works

On motion by Finance Committee,

**Voted unanimously:** That the Town raise and appropriate the sum of \$25,000 to carry out the purpose of Article 22 and authorize the Board of Public Works to acquire by purchase or by eminent domain proceedings, necessary rights and easements for construction purposes, to slope land back from street lines and to construct retaining walls.

### ARTICLE 23

To hear and act upon the report of the Board of Public Works in laying out Town ways under the Betterment Act in substantially the same locations as the various private ways listed below, and to authorize the taking of slope easements in land adjoining the locations of the said proposed Town ways in accordance with the General Laws, Chapter 82, Section 32B:

a. Reynolds Road — Beginning at its intersection with the westerly sideline of Old Nahant Road and extending about 663 feet westerly to a turn around.

b. Whittier Road — Beginning at its intersection with the westerly sideline of Montrose Avenue and extending about 1993 feet westerly, south-westerly, southeasterly, easterly and northerly to its intersection with the southerly sideline of the first mentioned westerly direction.

c. Thorndike Road — Beginning at its intersection with the south-westerly sideline of Lowell Street and extending about 462 feet southwesterly to a turn around.

d. Drury Lane — Beginning at its intersection with the southwesterly sideline of Lowell Street and extending about 682 feet southwesterly, south-easterly and southerly to its intersection with the northerly sideline of Brewster Road.

e. Ledgewood Road — Beginning at its intersection with the northerly sideline of Montrose Avenue and extending about 923 feet northerly, north-westerly and northeasterly to a turn around.

and that the Town vote to raise and appropriate a sufficient sum of money for the original construction of public ways or the extension or widening thereof, including land damages and cost of pavement, retaining walls, and sidewalks laid at the time of said construction under specifications approved by the Board of Public Works or authorize the treasurer to borrow with the approval of the Selectmen and issue notes or bonds of the Town therefor, and/or by transfer from other available balances.

Board of Public Works

On motion by Finance Committee,

**Voted:** That the Town accept and adopt under the Betterment Act, the report of the Board of Public Works on the acceptance and layout of the streets described in Article 23, paragraphs C & D and that the Town authorize the taking of slope easements in land adjoining the location of the said proposed Town Way in accordance with the provisions of Chapter 82, Section 32B of the General Laws, and further that for the original construction of Thorndike Road and Drury Lane including land damages and cost of pavement and sidewalks with granite curbing, laid at the time of said construction or for the construction of stone, block, brick or other permanent pavement of similar lasting character under specifications approved by the Department of Public works and to provide therefor the Town raise and appropriate the sum of \$13,257.18, and appropriate by transfer the sum of \$30,742.82 from the following unexpended balances:

	<hr/>
	\$30,742.82

Amendments to substitute concrete curbing in paragraph E (Thorn-dike Road), and to include paragraph B (Whittier Road) were not voted.

#### ARTICLE 24

To see if the Town will vote to raise and appropriate and/or appropriate by transfer from available balances a sufficient sum of money for the construction of storm drains across private land and in or across streets as the Board of Public Works may deem necessary, and to authorize the Board of Public Works to acquire by purchase or by right of eminent domain, easements in and over private lands necessary for the construction, maintenance and repair of said storm drains.

Board of Public Works

On motion by Finance Committee,

**Voted:** That the Town authorize the Board of Public Works to construct the following storm drains:

Wakefield Brook from the Heywood-Wakefield property across town land approximately 700 feet to the Mill River;

Vernon Street from north of Emerald Street, to Otis Street, thence under the B & M Railroad tracks and across private lands to New Salem Street;

and authorize the Board of Public Works to acquire by purchase or by eminent domain proceedings, necessary rights and easements for construction, maintenance and repair of said storm drains; and raise and appropriate the sum of \$42,600 to carry out the purpose of Article 24.

#### ARTICLE 25

To see if the Town will vote to accept the provisions of the Massachusetts General Laws, Chapter 40, Sections 42G, 42H and 42I which authorizes

the Board of Public Works to levy assessments for the extension of water mains against the person or persons benefitting from such construction.

Board of Public Works

On motion by Finance Committee,

**Voted:** That the Town accept the provisions of the Massachusetts General Laws, Chapter 40, Sections 42G, 42H and 42I which authorizes the Board of Public Works to levy assessments for the extension of water mains against the person or persons benefitting from such construction.

#### ARTICLE 26

To see if the Town will authorize the Board of Public Works to lay and/or relay water mains of not less than 6 inches but less than 16 inches in diameter in any streets or private ways, and for any other work of like construction where pipes of the same dimensions as mentioned above are used; to pay therefor, raise and appropriate a sufficient sum of money and/or authorize the treasurer, with the approval of the Selectmen to borrow and issue notes or bonds of the Town therefor, and/or by transfer from other available balances.

On motion by Finance Committee,

**Voted:** That the Town authorize and instruct the Board of Public Works to lay and/or relay water mains of not less than 6" but less than 16" in diameter in the following streets or private ways:

Farm Street  
Eaton Street Extension  
Rockland Street  
Otis Street  
A section of Oak Street

and to provide therefor the Town raise and appropriate the sum of \$30,000.

#### ARTICLE 27

To see if the Town will vote to authorize the Board of Public Works to construct sewers across private land and in or across highways hereinafter named:

- a. Montrose Avenue — from the Montrose Connector southerly to near house No. 14 and northerly to near house No. 75 about 1480 feet.
- b. Ledgewood Road — from Montrose Avenue westerly about 820 feet to a dead end.
- c. Spring Street — from Greenwood Street about 2130 feet westerly to the Stoneham Town Line.
- d. Valley Street— from the trunk line northerly to Hart Street and southerly to Nahant Street about 480 feet.
- e. Nahant Street — from Valley Street easterly about 200 feet.
- f. Oak Street — from Old Nahant Road westerly about 200 feet.
- g. Cooper Street — from Grove Street westerly about 270 feet to near Lassell Street.

- h. Park Avenue — from Prospect Street southerly about 170 feet to Bellevue Road.
- i. Bellevue Road — from Park Avenue easterly about 140 feet to near Shumway Circle.
- j. Melvin Street — from Trunk line northerly about 160 feet to near Hart Street.
- k. Butler Avenue — from Water Street northerly about 1480 feet.
- l. Hanson Street — from Lassell Street westerly about 70 feet to near Renwick Road.
- m. Lindbergh Road — from near house No. 5 easterly about 70 feet to near Terrace Court.
- n. Main Street— from Hanson Street southerly about 1570 feet to the Melrose line.
- o. Morrison Road West — from Eustis Avenue Extension southerly about 450 feet to near Prospect Street.
- p. Sheffield Road — from Morrison Road West, easterly and southerly about 840 feet to near Prospect Street.
- q. Strathmore Road — from Sheffield Road northerly about 220 feet to near house No. 7.
- r. Reynolds Road — from Old Nahant Road westerly about 680 feet to a dead end.
- s. Butler Avenue — from New Salem Street easterly across private lands about 720 feet to Butler Avenue and along Butler Avenue northerly to near New Salem Street and southerly to near house No. 66 about 1710 feet.
- u. Pleasant Street — from near Central Street about 600 feet northerly to near Cordis Street.
- v. Fosters Lane — from Paon Boulevard easterly about 380 feet to the B.&M. R.R.
- w. Morgan Avenue — from Tamworth Hill Avenue southerly about 130 feet.
- x. Various streets as the Board of Public Works deems necessary and feasible to construct or extend main sewers for the safety and convenience of the general public and to see if the Town will raise and appropriate a sufficient sum of money therefor and/or authorize the Treasurer with the approval of the Board of Selectmen to borrow and issue notes or bonds of the Town therefor and/or appropriate by transfer from available balances and authorize the Board of Public Works to purchase or take by right of eminent domain easements in and over private land necessary for the construction, maintenance and repair of said sewers.

Board of Public Works

Motion by Finance Committee:

That the Town vote to authorize and instruct the Board of Public Works to construct sewers in the streets described in Article 27, paragraphs A, B, C, D, E, N and to pay, therefor, the Town raise and appropriate the sum of \$81,540.81 and appropriate by transfer from the Excess and Deficiency

Account the sum of \$25,000 and appropriate by transfer the sum of \$17,-459.19 from the following unexpended balance:

1962 — Article #36 — Annual Town Meeting \$17,459.19

and to purchase or take by right of eminent domain, easements in and over private land necessary for the construction, maintenance and repairs of said sewers.

On amendment made and seconded,

**Voted:** That Section (N), Main Street to read "from Hanson Street northerly about 430 feet to Flint". Article, as amended, then voted in the affirmative.

Other amendments, duly made, were not voted. They included paragraph (J) for Melvin Street and an additional appropriation of \$4,300; paragraphs H and I and an additional appropriation of \$5,200 for Park Avenue and Bellevue Rd.; and paragraph (S) \$60,000 for Butler Avenue.

#### ARTICLE 28

To see if the Town will vote to amend its zoning bylaws and zoning map by changing from an Industrial District to a Limited Business District a tract of land containing about 6.8 acres northerly of the Route 128 layout at the Wakefield-Lynnfield Town line bounded and described as follows:

Beginning at the point of intersection of the Wakefield-Lynnfield Town line and the northerly sideline of the Route 128 layout at the easterly boundary of the Town of Wakefield, thence the line runs westerly by said northerly sideline of the Route 128 layout to its intersection with the easterly sideline of Audubon Road, thence along the easterly sideline of Audubon Road one hundred ten (110) feet to a point, thence turning a 127° angle measured clockwise from said easterly sideline of Audubon Road, the line runs southeasterly to the Wakefield-Lynnfield Town line, thence southerly along the Wakefield-Lynnfield Town line to the point of beginning.

Benjamin F. Stentiford, Jr., and Others

The report of the Planning Board, stating that all legal requirements had been complied with and that the Planning Board recommended favorable action, was read by Burton C. Parker.

On motion by Mr. Tredinnick, Mrs. Bangberger was granted permission to speak.

On motion by Mr. Parker,

**Voted:** To amend the Zoning Bylaws and Zoning Map by changing from an Industrial District to a Limited Business District the tract of land on Audubon Road described in Article 28.

The vote in the affirmative was: YES, 639 — NO, 5, and the Moderator declared the motion carried.

#### ARTICLE 29

To see if the Town will vote to authorize the Board of Public Works to construct a trunk sewer beginning at a point approximately 1200 feet north of Water Street, this point being the terminus of the Saugus River trunk

line as authorized in paragraph G of Article 16 of the 1963 Annual Town Warrant; thence running northeasterly and northerly for a distance of approximately 5800 feet generally along the line of the Saugus River across private lands and private ways to a point on Salem Street; thence easterly and northerly for a distance of approximately 800 feet along Salem Street and Pleasure Island Road to the intersection of the northerly side line of Route 128 with Audubon Road; and to see if the Town will raise and appropriate a sufficient sum of money therefor and/or authorize the Treasurer with the approval of the Board of Selectmen to borrow and issue notes or bonds of the Town therefor and/or appropriate by transfer from available balances and authorize the Board of Public Works to purchase or take by right of eminent domain easements in and over private land necessary for the construction, maintenance and repair of said sewers.

Salvatore LoFaro and Others.

On motion by Finance Committee:

**Voted:** That the Board of Public Works be authorized to construct a trunk sewer as described in Article 29, and purchase or take by right of eminent domain easements in and over private land necessary in the construction, maintenance and repair of such sewer, and, to pay the cost therefor, the Town raise and appropriate the sum of \$20,000, and, further, that the treasurer with the approval of the selectmen be and hereby is authorized to borrow the sum of \$200,000 and issue bonds and notes of the Town thereof payable in annual installments within ten years.

The vote in the affirmative was, YES, 596 — NO, 19, and the Moderator declared the motion carried by the necessary two-thirds vote.

### ARTICLE 30

To see if the Town will vote to raise and appropriate a sufficient sum of money to raze the buildings on the lot known as #5 Avon Street, and to clean up and level the entire lot, said work to be done under the direction of the Trustees of the Lucius Beebe Memorial Library, or to see what the Town will do about it.

Trustees of Lucius Beebe Memorial Library

On motion by Finance Committee:

**Voted:** That action under Article 30 be laid on under Article 30 until Article 31 is acted upon.

### ARTICLE 31

To see if the Town will vote to authorize the Moderator to appoint a committee of seven members, consisting of two members of Trustees of Lucius Beebe Memorial Library and five other citizens, for the purpose of hiring an architect, causing plans and specifications to be prepared, receiving bids for the construction and equipment of an addition to the Lucius Beebe Memorial Library and constructing said addition; and to raise and appropriate, or transfer from available funds a sufficient sum of money therefor, and/or to authorize the Town Treasurer, with the approval of

the Board of Selectmen, to borrow and issue notes or bonds of the Town therefor; or to see what the Town will do about it.

Trustees of Lucius Beebe Memorial Library.

A motion by the Finance Committee to indefinitely postpone was not carried.

The following motion by the Library Trustees was voted in the negative:

That the Town instruct and authorize the moderator to appoint a committee of 7 members consisting of two members of the Trustees of the Lucius Beebe Memorial Library and five other citizens; to authorize said committee to construct, originally equip and furnish an addition to the Lucius Beebe Memorial Library, with authority to retain an architect to prepare plans, specifications and estimates therefor; and to provide for such construction, originally equipping and furnishing the Town raise and appropriate the sum of \$25,000; and further that the treasurer, with the approval of the selectmen, be and hereby is authorized to borrow the sum of \$380,000 and issue bonds and notes of the Town therefor, payment in annual installments within 10 years.

On motion by Selectman McCluskey:

**Voted:** To take Article 30 from the table.

On motion by Finance Committee:

**Voted:** That action under Article 31 be indefinitely postponed.

On motion by Selectman McCluskey:

**Voted:** That this meeting be adjourned to Monday evening, March 16, 1964, in the auditorium of the Memorial High School building.

Meeting adjourned at 11:06 P.M.

Attendance:

Precinct 1	245
Precinct 2	201
Precinct 3	184
Precinct 4	124
Precinct 5	45

Total	799

A True Record:

Attest: CHARLES F. YOUNG,  
Town Clerk

## Adjourned Session, March 16, 1964

Meeting called to order at 7:37 by Moderator Roger H. Wingate.

The unanimous consent of the meeting was given to William J. Lee, who offered, and the meeting complied, in a standing tribute to the memory of James W. Anthony, whose recent death saddened the community. Mr. Anthony, in addition to other civic accomplishments, was chairman of the building committee for the Memorial High School, where the meeting was being held.

## ARTICLE 32

To hear and act on the report of the Elementary School Planning Committee appointed under Article 19 of the Warrant for the Annual Town Meeting for the year 1954.

## Elementary School Planning Committee

Carl W. Vik read the report of the committee, a very thorough report, by the Elementary School Planning Committee, describing the need, and recommending and requesting purchase of land and the appointment of a committee to engage architectural services for a new building in Greenwood, \$224,160, of which the State would pay \$146,000.

On motion by Finance Committee,

**Voted:** That the report be accepted as report of progress.

## ARTICLE 33

To see if the Town will vote to authorize the Board of Selectmen to purchase, or take by right of eminent domain, for school purposes, the following parcels of land, all of said parcels being shown on Plat 25 of the assessors Plans for the Town of Wakefield:

Parcel No.	Lot No.	Area (Sq. Feet)
1	L 60A	39,906
2	L 27A	8,000
3	L 20A	21,593
4	L 32A	21,919
5	L 26	3,628
6	L 22A	8,040
7	L 15A	9,365
8	39	5,740
9	39A	5,740

including also, the title in fee simple in and to all private ways or parts thereof adjacent to said parcels; and to raise and appropriate the sum of \$5,100.00 to carry out the purposes of this article.

On motion by Finance Committee:

**Voted:** That Article 33 be laid on the table until after discussion of the next article.

## ARTICLE 34

To see if the Town will vote to authorize the Moderator to appoint a committee of nine to engage professional services for the purpose of obtaining plans and costs for the building and equipping of a six-room elementary school on the Greenwood Street site; and to raise and appropriate a sufficient sum of money to carry out the purposes of this article.

## Elementary School Planning Committee

A motion by the Finance Committee, at 8:43 P.M., was voted in the negative.

On motion by Carl W. Vik:

**Voted:** That the Moderator be authorized to appoint a committee of nine to engage professional services for the purpose of obtaining plans and

costs for the building and equipping of a six-room elementary school on the Greenwood Street site; and to raise and appropriate the sum of \$5000 to carry out the purposes of this article.

#### RETURN TO ARTICLE 33

On motion by Finance Committee:

**Voted:** To take up Article 33.

On motion by Finance Committee:

**Voted:** To authorize the subject matter of Article 33, and to raise and appropriate the sum of \$5,100. The vote in the affirmative was: YES, 596 — NO, 17. A two-thirds vote was required.

#### ATTEMPT TO RECONSIDER ARTICLE 31

A resolution offered by Alfred E. Webber and his motion to reconsider and go back and take up Article 31 of the previous meeting was voted in the affirmative by a vote of YES, 320 — NO, 318, after remarks by H. Melcom Vorperian, and a motion of the "previous question" by Mr. Webber, but as it required a two-thirds vote, the Moderator declared the motion not carried.

#### ARTICLE 35

To see if the Town will vote to authorize the construction of a field house at Moulton Field under the jurisdiction of the Board of Public Works and to raise and appropriate a sufficient sum of money therefor.

Recreation Commission

On motion by W. Perry Farwell:

**Voted:** To raise and appropriate the sum of \$4,000 to carry out the purposes of Article 35.

#### ARTICLE 36

To see if the Town will vote to authorize the construction of eight sections of bleachers at Moulton Field under the jurisdiction of the Board of Public Works and to raise and appropriate a sufficient sum of money therefor.

Recreation Commission

On motion by Finance Committee:

**Voted:** That the subject matter of Article 36 be indefinitely postponed.

#### ARTICLE 37

To see if the Town will vote to raise and appropriate a sufficient sum of money for the proper development and equipping for playground purposes, the town owned property described in Article #13 — Annual Town Meeting 1962.

Lawrence C. Brown and others

On motion by Mr. Farwell, for the Finance Committee:

**Voted:** To raise and appropriate the sum of \$1,000 to carry out the purposes of Article 37.

An amendment to appropriate \$15,000 for the same purpose offered by Lawrence C. Brown was voted in the negative.

#### ARTICLE 38

To see if the Town will vote to amend its Zoning Bylaws by adding to Section 1., Districts, par. (a), Six Classes of Districts, an unnumbered paragraph reading as follows:

Every parcel of land shown on the General and Zoning Map corrected to January 31, 1964, designated as Parks, Schoolgrounds, Other Town Property, or Semi-Public Property, not otherwise shown as zoned, is hereby zoned as a General Residence District; and all unzoned land within the Town of Wakefield, if any, is hereby zoned as a General Residence District.

Town Planning Board

On motion by Miss Ruth A. Woodbury:

**Voted:** I move that the Town amend its Zoning Bylaws by adding to Section 1, Districts, par. (a) an unnumbered paragraph reading as follows:

Every parcel of land shown on the General and Zoning Map corrected to July 1, 1956, designated as Parks, Schoolgrounds, Other Town Property, or Semi-Public Property, not otherwise shown as zoned, is hereby zoned as a General Residence District; and all unzoned land within the Town of Wakefield, if any, is hereby zoned as a General Residence District.

The vote in the affirmative was: YES, 352 — NO, 10.

#### ARTICLE 39

To see if the Town will amend its Zoning Bylaws and Zoning Map by changing from a Single Residence District to a General Residence District the tract of land described as follows:

Beginning at a point in the northerly side line of Water Street 100 feet southeasterly of its intersection with the easterly side line of Butler Avenue measured perpendicularly to the side line of Butler Avenue, thence the line runs northeasterly along a line 100 feet distant from and parallel to the easterly side line of Butler Avenue a distance of 400 feet to a point, thence turning a right angle the line runs southeasterly a distance of 200 feet to a point, thence turning a right angle the line runs northeasterly 400 feet to a point, thence turning a right angle the line runs southeasterly 800 feet to a point described as Point A. for the purposes of this description; then beginning again at the point of beginning, the line runs southeasterly along the northerly side line of Water Street a distance of 1225 feet to a point, thence turning a right angle the line runs northeasterly a distance of 300 feet to a point, thence the line runs northerly about 900 feet to Point A. as described above; said tract containing an area of about 21 acres.

John J. Kuklinski and Others

On motion by Burton C. Parker for the Planning Board:

**Voted:** That the subject matter of Article 39 be indefinitely postponed.

## ARTICLE 40

To see if the Town will vote to amend its zoning bylaws and zoning map by changing from a single residence district to a general residence district a tract of land bounded and described as follows:

Beginning at a point in the Southerly line of Forest St. at a point in the B. & M. railroad location where the presently zoned business district joins the presently zoned single residence district;

Thence the line runs Southerly along said presently zoned business district through said Boston & Maine railroad location a distance of 750 feet;

Thence turning 90 degrees and running Westerly 500 feet;

Thence turning 90 degrees and running Northerly 750 feet;

Thence turning 90 degrees and running Easterly to point of beginning, 500 feet.

Joseph G. Sawtelle, Jr. and Others

On motion by Planning Board:

**Voted:** That the subject matter of Article 40 be indefinitely postponed.

## ARTICLE 41

To see if the Town will vote to accept the provisions of General Laws, Chapter 40, Section 8C, as amended, establishing a Conservation Commission for the promotion and development of our natural resources and for the protection of our watershed resources, and direct the selectmen to appoint five (5) members thereto within 60 days after the adoption of this article.

Wakefield Conservation Committee

On motion by Fred A. Beyer, Jr., Chairman of the Finance Committee:

**Voted:** That the subject matter of Article 41 be indefinitely postponed.

## ARTICLE 42

To see if the Town will vote to establish a Conservation Fund and appropriate thereto the sum of \$2,000.00.

Wakefield Conservation Committee

On motion by Finance Committee:

**Voted:** That the subject matter of Article 42 be indefinitely postponed.

## ATTEMPT TO ADJOURN

An attempt to adjourn, at 11:01 P.M., was voted in the negative.

## ARTICLE 43

To hear and act upon the report of a committee appointed under authority of Article 15 of the warrant for the annual town meeting of 1962, which committee was authorized to erect and equip a combination fire station and library building on Oak Street in the Town of Wakefield.

Greenwood Fire Station-Library Committee

On motion by Finance Committee:

**Voted:** That the report be accepted as a report of progress.

**ARTICLE 44**

To hear and act upon the report of the Building Code Study Committee appointed under Article 29 of the Annual Town Meeting of 1963.

Building Code Study Committee

On motion by Finance Committee:

**Voted:** To accept as a report of progress.

**ARTICLE 45**

To see what sum the Town will raise and appropriate for the observance of the Christmas season of 1964 by the decoration and illumination of public buildings and public streets, and the decoration of Christmas trees upon municipal land, or what it will do in relation thereto.

Jean Hartshorne and Others

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$500 to carry out the purposes of Article 45.

**ARTICLE 46**

To see if the Town will raise and appropriate the sum of fifteen hundred dollars for the Maternal, Infant and Health Guidance Program exclusive of therapeutic nursing for the Town of Wakefield, the same to be expended under the direction of the Board of Selectmen to the Visiting Nurse Association for direction of this program.

Louise M. Piazza and Others

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$1,500 to carry out the purposes of Article 46.

**ARTICLE 47**

To see if the Town will vote to raise and appropriate the sum of five hundred (500) dollars to cover the cost of participation of retarded children of the Town of Wakefield in the Retarded Children's Camp program in the Town of Stoneham.

Lawrence J. McCluskey and Others

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$500 to carry out the purposes of Article 47.

Selectman Chairman, McCluskey thanked the people of Wakefield for their action.

**ARTICLE 48**

To see if the Town will vote to provide cooperative and complimentary facilities to mental health out-patient clinics and for payment for services to be rendered for such clinics in accordance with the provisions of General Laws Chapter 40, the same to be expended under the direction of the

School Committee; and to raise and appropriate a sufficient sum of money to carry out the purposes of this article.

Louise H. Peterson and Others

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$6,500 to carry out the purposes of Article 48.

#### ARTICLE 49

To see if the Town will vote to raise and appropriate the sum of two thousand two hundred and fifty (2250.00) dollars to be expended by the Corporal Charles F. Parker Camp No. 39 United Spanish War Veterans; Wakefield Post No. 2106 Veterans of Foreign Wars; Corporal Harry E. Nelson Post No. 63 American Legion; Marie E. Reiss Post No. 376, American Legion; Colonel Allen C. Kelton Detachment Marine Corps League; Sergeant Gerald F. Scott Post No. 145, Amvets; Camp No. 34 Sons of Union Veterans; Wakefield Chapter Gold Star Mothers of America, Inc., for the proper observance of Memorial Day, May 30, 1964.

Marine Corps League

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$2,200 to carry out the purpose of Article 49.

#### ARTICLE 50

To see if the Town will vote to raise and appropriate the sum of four hundred (400.00) dollars for the proper observance of Veterans' Day, November 11, 1964, to be expended by Corporal Harry E. Nelson Post No. 63 American Legion; Corporal Charles F. Parker Camp No. 39 United Spanish War Veterans; Wakefield Post 2106 Veterans of Foreign Wars; Marie E. Reiss Post No. 376 American Legion; Colonel Allen C. Kelton Detachment, Marine Corps League; Sergeant Gerald F. Scott Post No. 145 Amvets.

Marine Corps League

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$400 to carry out the purposes of Article 50.

#### ARTICLE 51

To see if the Town will vote to authorize the Board of Selectmen to lease for a period of one year suitable headquarters for the use of Corporal Harry E. Nelson Post No. 63, American Legion, and to raise and appropriate the sum of one thousand (1,000.00) dollars to carry out the purposes of this article.

Harry C. Goodwin and Others

On motion by Finance Committee:

**Voted:** To indefinitely postpone.

**ARTICLE 52**

To see if the Town will vote to authorize the Board of Selectmen to lease for a period of one year suitable headquarters for the use of Wakefield Post No. 2106 Veterans of Foreign Wars, and to raise and appropriate the sum of twelve hundred (\$1,200.00) dollars to carry out the purpose of the article.

Daniel F. Kelliher and Others

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$750 to carry out the purposes of Article 52.

**ARTICLE 53**

To see if the Town will vote to authorize the Board of Selectmen to lease for a period of one year suitable headquarters for the use of the Colonel Allen C. Kelton Detachment, Marine Corps League, and to raise and appropriate the sum of \$600.00 to carry out the purpose of this article.

Robert N. Reid and Others

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$600 to carry out the purposes of Article 53.

---

On motion by Chairman McCluskey:

**Voted:** To take Article 1 from the table.

On motion by Mr. McCluskey:

**Voted:** To nominate the following officers not to be chosen by ballot, that nominations be closed, and the Town Clerk be instructed to cast one ballot for the same:

George Kerr, Ralph Morel, James E. Hewes, Hiram A. Tobey, Harry R. MacIntosh, and George J. Gould.

**ARTICLE 54**

To see if the Town will vote to authorize the Board of Selectmen to lease for a period of one year suitable headquarters for the use of Sgt. Gerald F. Scott, Amvets Post No. 145 and raise and appropriate the sum of six hundred (\$600.00) dollars to carry out the purpose of this article.

Charles J. Curry, Jr. and Others

On motion by Finance Committee:

**Voted:** To raise and appropriate the sum of \$375 to carry out the purposes of Article 54.

**ARTICLE 55**

To see what sum the Town will vote to return to the town treasury from the balance in the Operating Fund of the Municipal Light Department as of December 31, 1963, and authorize the Assessors to use said sum in computing the tax rate for 1964, and also to see what sum the Town will authorize the Municipal Light Department to transfer from the balance in its Operating Fund as of December 31, 1963 to the Construction Fund of the Municipal Light Department.

Municipal Light Department

On motion by Finance Committee:

**Voted:** That the sum of \$205,000, being part of the balance of the Operating Fund of the Municipal Light Department as of December 31, 1963, be returned to the Town Treasury and the Assessors be hereby authorized to use the same in computing the tax rate for 1964, and authorize the Municipal Light Department to transfer from its Operating Fund \$99,101.02 to its Construction Fund the latter sum being the remainder of the balance in its Operating Fund as of December 31, 1963.

#### ARTICLE 56

To see if the Town will vote to authorize the Board of Assessors to use such free cash as may be in the treasury, or any part thereof, in computing the tax rate for the current year.

John J. McCarthy, Town Accountant

On motion by Finance Committee:

**Voted:** That the Board of Assessors be authorized to use an amount of Free Cash in the Treasury not in excess of \$50,000 in computing the tax rate for 1964 and that the amount to be used as Estimated Receipts as a credit in determining the tax rate for 1964 be used by the Assessors to the full amount authorized by statute.

On motion of George F. Gardner, a former chairman of the Finance Committee, the meeting voted, and the members responded to a rising vote of thanks to the Finance Committee for the time spent and the work involved in preparing their recommendations for the various articles, which are so effective and valuable a guide to the voters.

On motion by Chairman of the Selectmen, Burton F. Whitcomb:

**Voted:** That this meeting be now dissolved.

Meeting dissolved at 11:34 P.M.

## **Special Town Meeting, June 8, 1964**

Meeting called to order by Moderator Roger H. Wingate at 7:32 P.M., who read the call for the meeting.

Constable's return read by the Town Clerk.

A statement was read by the new chairman of the Finance Committee, A. Robert Almeida, who among other things stated that the Finance Committee would now hold meetings on the final Mondays of each month to consider any matters that may need attention.

### **ARTICLE 1**

To hear and act upon a report submitted to the Board of Selectmen by a committee appointed under authority of a vote taken under Article 6 of the annual town meeting for the year 1964 for the purpose of studying possible public uses of the Hill Boathouse Property, so called.

Board of Selectmen

The new chairman of the Board of Selectmen, Lawrence J. McCluskey, read the report of the committee.

On motion by Finance Committee:

**Voted:** That the report be accepted as a final report of progress.

### **ARTICLE 2**

To see if the Town will vote to demolish the Hill Boathouse property so called, consisting of one boathouse, one house and one garage and upon demolition, proceed to rough grade the subject area and to provide therefor, the Town raise and appropriate a sufficient sum of money and/or appropriate by transfer from the Excess and Deficiency Account a sufficient sum of money to carry out the purposes of this article.

Board of Selectmen

On motion by Finance Committee:

**Voted:** To raise and appropriate \$5,900 by transfer from the Excess and Deficiency Account, and that the Selectmen be instructed to carry out the purposes of Article 2.

### ARTICLE 3

To see if the Town will vote to raise and appropriate and/or appropriate by transfer from the Excess and Deficiency Account a sufficient sum of money for the purpose of compensating retired Patrolman William E. Myers in accordance with the provisions of Chapter 41, Section 100 of the Massachusetts General Laws, for the period from January 1, 1963 to November 19, 1963.

Board of Selectmen

On motion by Finance Committee:

**Voted:** That the town appropriate the sum of \$1,141.90 by transfer from the Excess and Deficiency Account for the purpose of compensating retired Patrolman William E. Myers for the period from January 1, 1963 to November 19, 1963, in accordance with the provisions of Chapter 41, Section 111-F and Chapter 44, Section 64 of the Massachusetts General Laws.

### ARTICLE 4

To see if the Town will vote to determine in accordance with the vote taken under Article 25 of the 1964 Annual Town Meeting, under authority of Massachusetts General Laws, Chapter 40, Sections 42G, 42H, 42I, the uniform rate to be charges to benefitted abutters for the extension of Water Mains in the Town of Wakefield.

Board of Public Works

On motion by Finance Committee:

**Voted:** That the assessment authorized by General Laws, Chapter 40, Sections 42G and 42H be made upon the owners of estates benefitted by the extension of water mains hereafter in the Town of Wakefield at a uniform rate of \$4.00 per lineal foot of frontage which such estates have upon any street or way in which a water main is constructed. An owner of land which receives benefit from the laying of water pipes in public and private ways, whose land does not abut on such public or private ways, but which by more remote means receives benefit through the supply of water to his land or buildings, shall pay a proportionate part of the cost not already assessed of extending such water supply to his land, said proportionate part to be determined by the Board of Public Works.

### ARTICLE 5

To see if the Town will vote to authorize the Selectmen to lease certain real estate located easterly of North Avenue and Northerly of Albion Street, containing in all 36,670 square feet more or less, as shown on a plan on file in the office of the Executive Secretary, from George J. Gould, Leo E. Bourdon, and Felix Sava, or their nominees, supposed owners of

said land, for a period not in excess of five (5) years, upon such terms and conditions as the Board of Selectmen shall determine, for use as a MUNICIPAL PARKING LOT, the said Selectmen to have the direction and control of site development and, subject to the agreement of the land-owner, the removal of any building deemed necessary for appropriate access thereto; and to raise and appropriate or appropriate by transfer from available funds a sum or sums of money to cover the cost of site development, removal of a building or buildings, engineering and matters incidental thereto, and also the rental of said real estate, or what action it will take thereon.

George J. Gould

On motion by Finance Committee:

**Voted:** That the subject matter of Article 5 be indefinitely postponed.

On motion by George J. Gould:

**Voted:** To allow Attorney John H. Kimball of Lynnfield, who at the opening of the meeting was given the consent of the meeting to attend, to speak.

On motion by Chairman McCluskey:

**Voted:** That this meeting be now dissolved.

Meeting dissolved at 8:48 P.M.

Town Clerk

## Special Town Meeting, October 1, 1964

Meeting called to order at 7:30 P.M. by Moderator Roger H. Wingate.

On motion by A. Robert Almeida, chairman of the Finance Committee,

**Voted:** That further reading of the warrant be dispensed with.

Constable's return read by the Town Clerk.

### ARTICLE 1

To hear and act on the report of the Greenwood Elementary School Planning Committee.

Greenwood Elementary School Planning Committee

A very comprehensive and complete report was read by Clyde F. Fuller, chairman of the Greenwood Elementary School Planning Com-

mittee, which outlined the architect's plans and the dates for bidding on the location provided under Article 33 of the Annual 1964 Town Meeting, and noted that their plan and schedule would have the project completed and ready for occupancy at the beginning of the school year of 1966.

On motion by Finance Committee:

**Voted:** That the report be accepted as a report of progress.

## ARTICLE 2

To see if the Town will vote to raise and appropriate and/or transfer from available funds, a sufficient sum of money to enable the Greenwood Elementary School Planning Committee to engage architectural services for the purpose of preparing final plans and cost estimates for construction of a six-room elementary school and supporting facilities on the Greenwood Street site, so-called, or to see what the Town will do about it.

Greenwood Elementary School Planning Committee

On motion by chairman Almeida of the Finance Committee:

**Voted:** To appropriate the sum of \$30,000, by transfer from the Excess and Deficiency account, to carry out the purpose of Article 2.

## ARTICLE 3

To hear and act upon a Report of the Public Works Building Committee appointed under authority of Article 21 of the Annual Town Meeting of 1964.

Public Works Building Committee

The committee, consisting of Paul A. Donovan, chairman, George F. Gardner, Frank Shea, Henry R. Orcutt, David F. Carpenter, outlined their investigation and study of the question, and recommended an addition to the present Highway barn, so called.

On motion by Finance Committee:

**Voted:** To accept the report as a report of progress.

## ARTICLE 4

To see if the Town will vote to raise and appropriate, or transfer from available funds, a sufficient sum of money to enable the Public Works Building Committee, appointed under authority of Article 21 of the Annual Town Meeting of 1964, to engage architectural services for the purpose of preparing preliminary plans and cost estimates for construction of a consolidated Public Works garage and office building on the North Avenue site, or take any other action in relation thereto.

Public Works Building Committee

Motion by Finance Committee:

To appropriate the sum of \$1,500 by transfer from the Excess and Deficiency Account to carry out the purposes of Article 4.

The vote of the meeting was in the negative and the Moderator declared the motion not carried.

## ARTICLE 5

To see if the Town will vote to authorize the Board of Public Works to expend balances of monies appropriated under Article 27 of the 1964 Annual Town Meeting for the construction of sewers across private land, and in or across highways, on various streets as the Board of Public Works deems necessary and feasible for the safety and convenience of the general public.

Board of Public Works

Motion by Finance Committee:

To authorize the Board of Public Works to expend the balance of monies, not exceeding \$9,700 upon completion of work authorized under Article 27 of the Annual Town Meeting for the Year 1964 for the construction of sewers in the following named streets:

Park Avenue-Bellevue Road  
Hanson Street  
Lindbergh Road

Amendment by Sabatino Benedetto:

To authorize the Board of Public Works to expend the balance of monies, not exceeding \$9,700, upon completion of work authorized under Article 27 of the Annual Town Meeting for 1964 for the construction of sewers in various streets.

The amendment was voted favorably—Yes, 89; No, 80, and the motion, as amended was voted and carried.

## ARTICLE 6

To hear and act on the report of the committee appointed by the Moderator under authority of Article 12 of the Annual Town Meeting of 1964 to study and report on the proposed withdrawal of the Town of Wakefield from the Parks System of the Metropolitan District.

Eugene J. Sullivan, Chairman, M.D.C. Parks System Study Committee

On motion by Finance Committee:

**Voted:** That the report be accepted as a report of progress; after former Selectman Eugene J. Sullivan introduced a lengthy and well-prepared report outlining the duties and expense to the Town over the past ten years, which amounts to about \$24,000 annually, and that with this expense Wakefield cannot afford to meet all the requirements for recreation in an average way for its own children.

The report stated that the financial set up is unfair to the 36 towns and cities in the district, that these towns and cities pay the bills, a greater part of which are imposed upon them by the legislators in the entire state, and the town take action to provide for Wakefield's withdrawal from the Parks District of the Metropolitan District.

The report was signed by Eugene J. Sullivan, chairman; Thomas D. Morse, Secretary; Earl G. Bonney; and J. Henry Vik.

## ARTICLE 7

To see if the Town will authorize and instruct the Board of Selectmen to take appropriate action to introduce a bill in the Legislature on behalf of the Town of Wakefield to provide for the Town of Wakefield's withdrawal from the Parks System of the Metropolitan District.

Eugene J. Sullivan, Chairman, M.D.C. Parks System Study Committee

On motion by Finance Committee:

**Voted:** That the Board of Selectmen introduce a bill in the Legislature on behalf of the Town of Wakefield to provide for the Town of Wakefield's withdrawal from the Parks System of the Metropolitan District with the provision that any such legislative enactment be accepted by action at an Annual Town Meeting.

## ARTICLE 8

To see if the Town will raise and appropriate and/or appropriate by transfer from the Excess and Deficiency Account a sufficient sum of money for the purpose of conducting the decennial census, as is required by Articles 21 and 22 of the amendments to the constitution as appearing in Article 51 and as further required by the provisions of the Massachusetts General Laws.

On motion by Finance Committee:

**Voted:** That the Town appropriate the sum of \$4,500 by transfer from the Excess and Deficiency Account, to carry out the purposes of Article 8.

On motion by Chairman McCluskey of the Selectmen:

**Voted:** That this meeting be now dissolved.

Meeting dissolved at 9:54 P.M.

	<hr/>
	\$ 8,628.00

Respectfully submitted,

PAUL LAZZARO  
Town Treasurer

## Contributory Retirement Board

There were eighty-five pensioners or their beneficiaries receiving payment from the Contributory Retirement System during the year 1964.

Eleven pensioners received disability benefits, four beneficiaries received accidental death benefits, twelve received survivor benefits and fifty-eight pensioners received superannuation retirement benefits. Of these pensioners, thirty-three were over seventy years of age and eighteen were between sixty-five and seventy years of age.

The total payments amounted to \$130,967.22, of which \$116,734.52 was paid from the Pension Accumulation Fund and \$14,232.70 was paid from the Annuity Reserve Fund.

Employee contributions to the Annuity Savings Fund amounted to \$88,523.56 during the year.

	1960	1961	1962	1963	1964
Active Employees	370	362	352	369	381
Retired Employees	57	60	64	72	80

### WAKEFIELD CONTRIBUTORY RETIREMENT SYSTEM

December 31, 1964

### TOWN ACCOUNTANT

Receipts

Payments

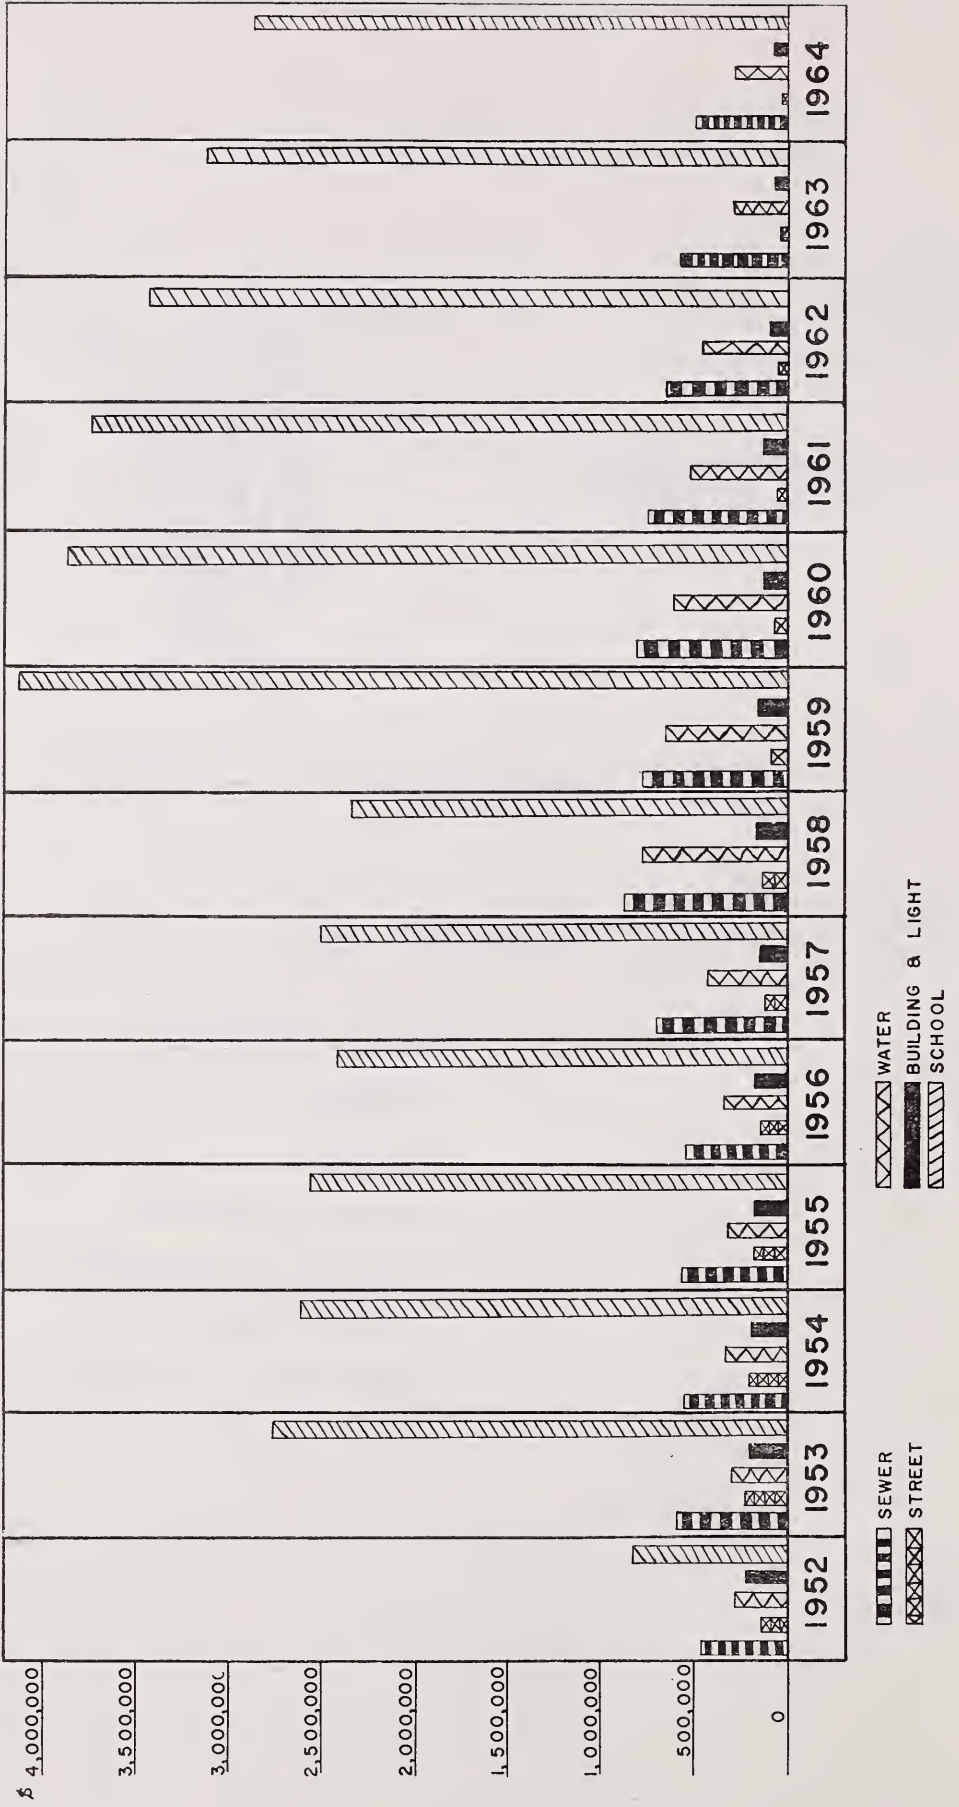

Excess & Deficiency

Statement of Appropriations

Balance Sheet

Indebtedness Statement

1952 - 1964 INDEBTEDNESS RECAPITULATION

# Fiftieth Annual Report of the Town Accountant

FOR THE YEAR ENDING DECEMBER 31, 1964

The total cash expenditure processed by the Town Accountant's Office amounted to \$9,729,696.64.

The total cash receipts amount to \$9,544,618.62 which indicates the necessity for serious attention and consideration in this area of the Town's financial program.

The operational and indebtedness cost of town services can be examined by the simple comparison with other immediately surrounding communities.

This method of comparison brings the tax rate and valuation variables together in the formation of a comparative per-capita cost factor.

Community	Population	Valuation	Total Debt	Tax Rate	Per Cap. Valuation	Per Cap. Cost	Per Cap. Debt
Wakefield	24,295	\$65,550,000	\$3,748,000	\$54.00	\$2,698	\$145.69	\$154
Melrose	29,619	55,726,100	2,405,000	87.80	1,881	165.19	81
Reading	19,259	43,291,505	4,399,000	75.50	2,248	169.71	228
Stoneham	17,821	36,491,225	2,262,000	86.00	2,048	176.04	127
Natick	28,831	150,964,800	5,680,100	38.00	5,236	198.97	197
Needham	25,793	88,125,446	6,225,000	66.50	3,417	227.21	241
Dedham	23,869	59,701,100	5,155,000	69.80	2,501	174.58	216

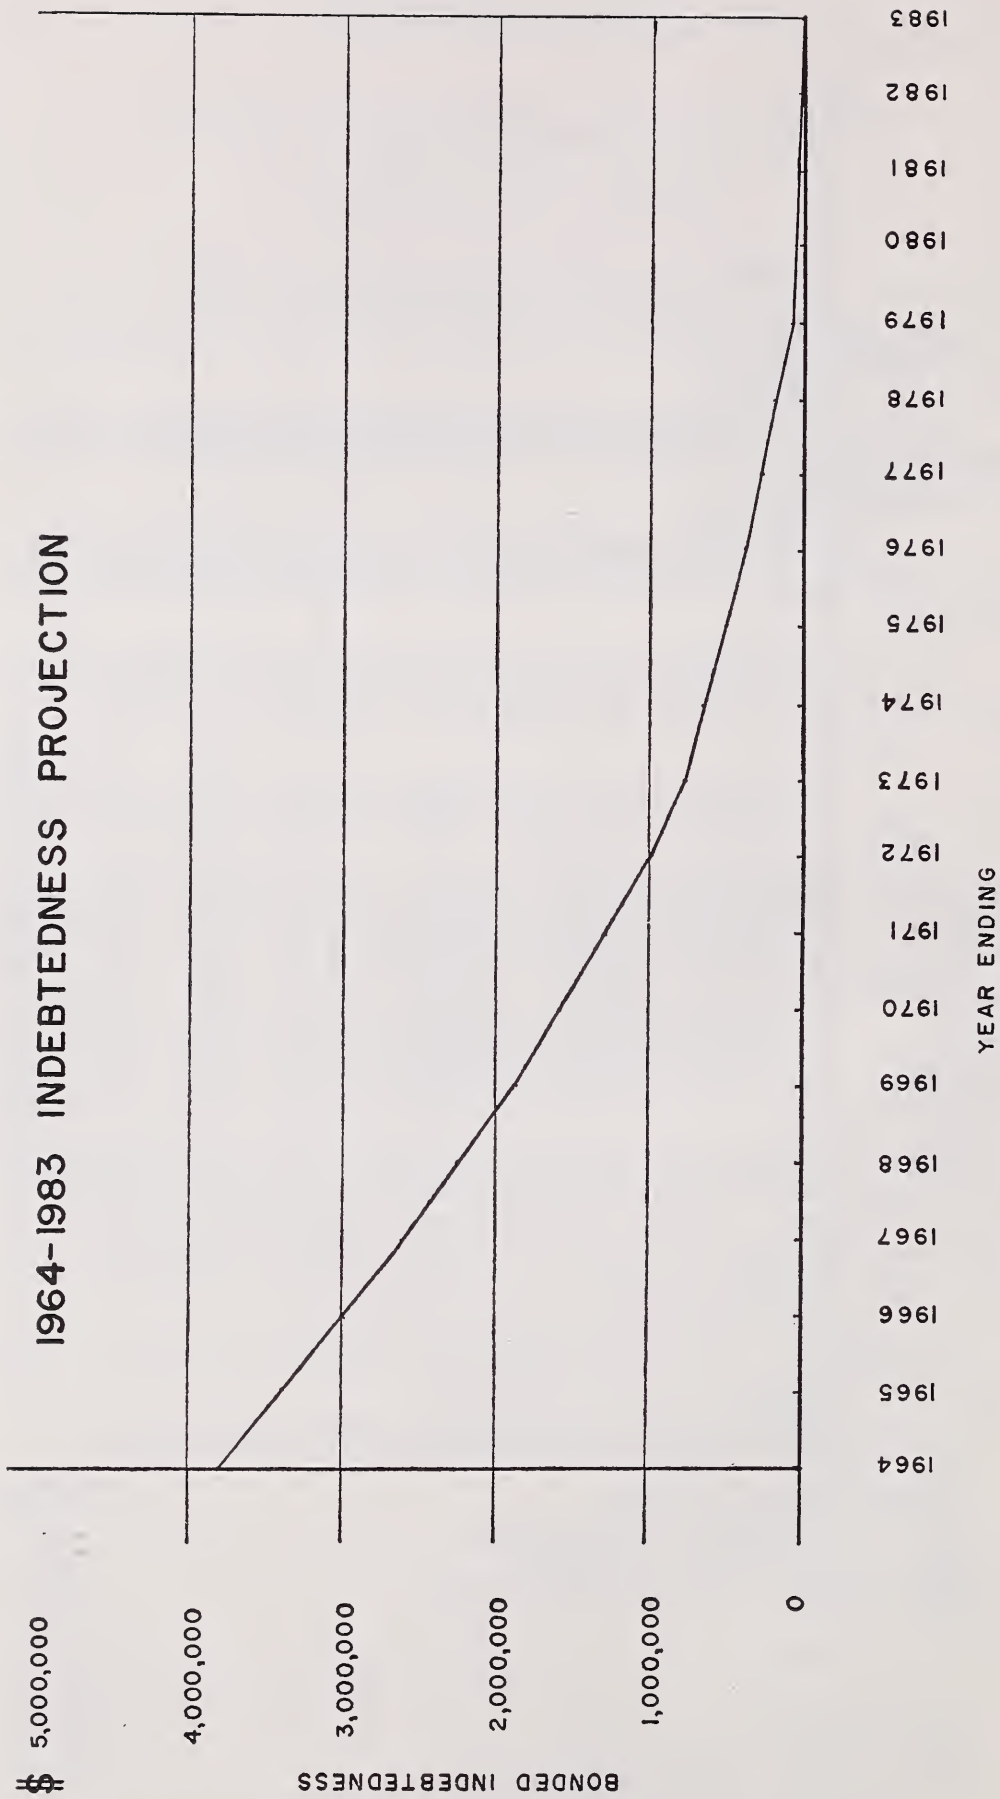

The growth of the town in population and valuation is directly related to increased operational cost. The creation of non-existent facilities in areas of the town that have heretofore been undeveloped and apart from the service arterials have required increased capital expenditures in an era of high construction costs.

The records of the Treasurer have been examined and found to be in agreement with the Accountant's balances.

Cash balances have been verified and are distributed as follows:

Wakefield Trust Company	\$ 689,562.02
State Street Bank & Trust Company	7,648.99
Surety Bank & Trust Company	50,000.00
New England Merchants National Bank	13,001.10
	<hr/>
	\$ 760,212.11
Treasury Bills	\$ 297,315.00
Time Deposit (Surety Bank)	200,000.00
Time Deposit (Wakefield Trust Co.)	250,000.00
(Electric Light Depreciation Cash Invested)	

On Hand	824.69
	<hr/>
	\$1,508,351.80
Deposits in Savings Banks	\$ 50,000.00
	<hr/>
<b>TOTAL</b>	<b>\$1,558,351.80</b>

Trust Funds have been checked by examination of Securities, Savings Bank Accounts and Deposit Books.

Funds of the Contributory Retirement System have been verified by examination of Bank Books, Securities and the checking account balance was in agreement with the Accountant's balance. Funds are invested as follows:

Savings Banks	\$ 60,684.63	
Co-operative Banks	24,000.00	
Investment Stock	228,358.35	
Public Utility Bonds	443,669.64	
Telephone Bonds	176,496.16	
Industrial Bonds	49,828.20	
U. S. Treasury Bonds	20,000.00	
U. S. Savings Bonds	35,000.00	
International Bank & Reconstruction Development Bonds	10,100.35	
	<hr/>	\$1,048,137.33
Wakefield Trust Company Checking Account	\$ 24,643.38	
Checks Outstanding	11,088.95	
	<hr/>	\$ 13,554.43
<b>TOTAL</b>		<b>\$1,061,691.76</b>

All cancelled, permanent and temporary loans paid during the year by the Treasurer have been examined and found to be as reported.

JOHN J. McCARTHY,  
Town Accountant
